

STAFF REPORT

SUBJECT: Discussion of Permitted Uses of the Zoning Code

DEPARTMENT: Development Services

STAFF CONTACT: Steve Killen

BACKGROUND:

Currently, alcohol sales within the city is generally associated with restaurant, grocery or convenience store operations. This list of permitted uses does not specify alcohol sales for any district and is silent when considering operations where alcohol sales is the primary retail product.

The Committee will discuss anticipated trends to determine which zoning districts, if any, should include alcohol sales as a permitted use and provide staff direction on how to proceed.

The table of permitted uses (unofficial) and the existing section of the Code of Ordinances pertaining to alcohol sales are included in the packet.
