

STAFF REPORT

SUBJECT: Downtown Lighting

DEPARTMENT: Main Street

STAFF CONTACT: Julie Smith

RECOMMENDATION:

Staff recommends purchasing the eight light units for downtown.

BACKGROUND:

Staff recommends accepting the proposal for decorative street lighting for the downtown square to replace the existing, outdated and nonworking fixtures we currently have in place. Additionally, the proposed eight fixtures will accommodate banner signage with sturdy structures not presently available on the existing light poles. The turnaround for delivery of the lights is two-six months, however, the price does not include new bases and installation costs.

FISCAL IMPACT SUMMARY:

\$69,960.00
