

# STAFF REPORT

**SUBJECT:** Case No.: AS2022-001  
Abandonment of Alley in the City Addition

**DEPARTMENT:** Development Services

**STAFF CONTACT:** Steve Killen

## RECOMMENDATION:

The Planning and Zoning Commission convened on January 19, 2022 and by a vote of 5:1, recommended the City Council abandon the eight-foot alley between the 200 blks. of College and McNeil streets.

## BACKGROUND:

The City owns an eight-foot alley way that offers no real use for city operations. However, the adjacent businesses could possibly benefit from its acquisition.

Chapter 95 of the City of Stephenville Code of Ordinances allows for the abandonment of streets and alleys by petition or council initiative. Council initiated such action at the regular business meeting on January 4, 2022. A subsequent public hearing by the Planning and Zoning Commission was held January 19, 2022.

## ARTICLE IV. - CLOSING STREETS AND ALLEYS

Sec. 95.50. - Reference to transportation code.

Provisions for the closing of streets and alleys are granted by the V.T.C.A. Transp. Code § 311.07. The procedures and regulations set out herein are consistent with the requirements of the Code and set out regulations to be followed in the closing of streets and alleys.

(Ord. 2015-11, passed 7-7-2015)

Sec. 95.51. - Public hearing generally.

The City Council, on its own initiative, may call a public hearing to determine whether or not any street or alley in the city, or any portion thereof, should be closed or abandoned as a public thoroughfare.

(Ord. 2015-11, passed 7-7-2015)

Sec. 95.54. - Recommendation of the planning and zoning commission.

Before City Council may take final action to adopt any ordinance to close a street or alley the Planning and Zoning Commission shall review the request from the point of view of impact on future traffic circulation in the city and shall make a recommendation on such matters to the City Council. The Planning and Zoning Commission shall be required to conduct a public hearing. (Ord. 2015-11, passed 7-7-2015)

## DEPARTMENTAL COMMENTS:

### Public Works Department

A sewer clean-out in the alley must remain accessible.

### Development Services

No objections.

### Police Department

No Objections.

### Fire Department

No Objections.

## ESTIMATE OF VALUE

### ARTICLE IV. - CLOSING STREETS AND ALLEYS

#### Sec. 95.56. - Appraisal of real property required.

- A. Within 90 days after the City Council public hearing and Planning and Zoning Commission recommendation, but before City Council final action, the petitioner shall provide an appraisal by a certified appraiser of real property. The cost of the appraisal is to be paid in full by the petitioner. Upon written application by the petitioner stating the need therefor, this time period may be extended by the City Administrator. Such extension shall be in writing.
- B. As an alternative to the above, the petitioner may elect, in writing, to utilize the average appraised values of the land immediately adjacent to the street or alley to be closed as shown on the most recent approved municipal tax roll. Such average value shall be calculated by city staff.
- C. If the requested closure is approved by City Council, the actual selling price shall be determined solely by the City Council, but in no case shall the selling price be less than the appraised value as determined under this section.

(Ord. 2015-11, passed 7-7-2015)

#### ADVANTAGES:

An advantage to closing the alley would allow adjacent businesses to utilize the alley for business purposes.

#### DISADVANTAGES:

No disadvantages have been identified at this time.

## ALTERNATIVES

- 1) Recommend the City Council abandon the alley as initiated.
- 2) Recommend the City Council terminate the initiated action and not abandon.

Exhibit – Eight-foot alley between College and McNeil streets.
