Reason for Applying

Since moving to Erath County in 2018, I have been so grateful for our library services. I homeschool my seven children and use library sources on a weekly basis in their education. I also use library resources for my own education and self-improvement. Serving on the Library Advisory Board would be a privilege and a responsibility that I would not take lightly.

Educational Background

Bachelor's Degree in Early and Elementary Education

Occupational Background

Taught Elementary School for 2 years (2005-2007)

Relevant Experience

-I am a frequent user of library resources.

-I have an adopted daughter with special needs. One of my current desires is to help make our library more accessible to our citizens with special needs.

-As a member of our local homeschool community, I can provide a voice for this rapidly growing population. Our library has the potential to become an incredible resource for those who educate at home, especially amid the current pandemic.

Community Involvement

-My husband is the pastor of Duffau Baptist Church in Hico. Through his position, I am involved in serving our community in various ways, especially the elderly population.
