#### Relevant Experience

I was director of a local church's children's ministry for 2 years, and I've worked with kids in churches and out for the better of 10 years. And, while I've held volunteer offices in a 4-H and church setting, I haven't had the opportunity be a part of an advisory board. However, I'm eager to learn and gain experience. Also, am a very heavy reader and adore library's as a whole, what they offer, and the cultural and intellectual richness they add to communities.

#### Community Involvement

Active consumer of the Library, vote in local elections, and attend online council meetings when possible.
