Yes

Please indicate which category of the local economy that you represent.

Small Business - Corporations, partnerships, sole proprietorships, or other legal entities; independently-owned; fewer than 20 employees or less than \$1,000,000 in gross receipts

Reason for Applying

I am fascinated by historical preservation and adaptive reuse of historical buildings and I am thrilled to see that Stephenville was accepted into the Texas Main Street Program. I can't wait to see the amazing changes that will take place in our downtown area that will only enhance our tourism and boost the economy of our community and hopefully attract new and exciting boutique businesses.

Educational Background

I have an Interior Design degree from Southwest Texas State University (currently called Texas State University).

Occupational Background

I have worked in the commercial furniture industry since 1989. I have served many roles, such as designer, specifier, space planner and account manager for government clients. I currently own my own business, working from home, as a contract space planner and furniture specifier for commercial furniture dealerships all around the country. I have owned and operated this business here in Stephenville since 2001.

Relevant Experience

I honestly am not sure if any of the experience I have is relevant to the Main street project, other than my enthusiasm for the project! I do feel that my space planning skills could be put to good use. I am quite capable of working with and reading architectural plans and possess Autocad software for my business, which perhaps could come in handy while working with the architects and designers with the Texas Historical Commission. I work well in groups, and am happy to be able to volunteer some time to this endeavor now that I am an empty-nester.

Community Involvement

While I do not serve on many boards or have been a member of any civic organizations, I have devoted most of my years here in Stephenville to the Erath County Girl Scouts. I served many years as a troop leader, was appointed the Service Unit manager for Erath County under Girl Scouts Heart of Texas and then later Girl Scouts of Central Texas - a position which involved managing all of the troop leaders and team members here in our county to ensure a positive experience in our program. I currently hold the position of Treasurer on the Mistletoe Hut, Inc. Board of Directors and am responsible for the continued maintenance and community rentals of that facility.
