

STAFF REPORT

SUBJECT: Street Department – Budgeted Skid Steer
MEETING: Regular Council Meeting - 02 Nov 2021
DEPARTMENT: Public Works
STAFF CONTACT: Nick Williams

RECOMMENDATION:

Staff recommends the authorization to purchase one (1) Kubota Skid Steer Tractor for the Street Department as budgeted.

BACKGROUND:

Competitive bids for a Street Department Kubota Tractor were solicited through the BuyBoard cooperative purchasing system. BuyBoard is a national, governmental purchasing cooperative which competitively bids and awards contracts to local, regional, and national vendors in compliance with local, state, and federal procurement laws and regulations. Vendors are evaluated and verified to provide quality products or services at competitively bid prices in compliance with the applicable procurement procedures.

FISCAL IMPACT SUMMARY:

Kubota Tractor Corporation responded with a quote for \$59,306.43. The adopted FY21-22 budget includes \$60,000 for the machine. It is therefore the recommendation of staff that the purchase be awarded to Kubota Tractor Corporation in the amount of \$59,306.43. If approved, the machine will be supplied through the local Texstar Kubota, Inc. facility.
