HEADER TITLE 1:

The Development Services Committee convened on May 18 at 5:30 PM to define the scope of a previous assignment to staff in reviewing the zoning district permitted uses as listed in Chapter 154 - Zoning.

Councilman Huckabee provided an overview of the assignment and recommended that the project be structured to allow the Planning and Zoning Commission review three to five uses, targeting known issues. The full review of the permitted uses could then be addressed when the comprehensive plan is reviewed.

After further discussion, staff was directed to work with the Planning and Zoning Commission to bring recommendations back for City Council consideration for five permitted uses deemed most problematic.
