Education - Serving in higher education at high school level or beyond

**Reason for Applying**

I think it is important that a member of the Board of Adjustment be an excellent reader, fair-minded adjudicator, and a reliable worker (someone you can count on). With a Ph.D. in English, I am a close and careful reader and interpreter of ordinances and laws. Also, I bring the skills of diplomacy and rationality to the position. I have been a member of this Board for several years, so I bring to it institutional memory, plus an expert knowledge of protocol and Robert's Rules of Order. I have chaired this Board successfully, faithfully, and expertly for the last several years. It would be my honor and pleasure to continue to serve the city of Stephenville in this capacity. In over eleven years, I have only missed one meeting (due to my attending a professional conference out of town).

**Educational Background**

I have a Doctorate of Philosophy (in English) from UNT, a Masters of Art in English from UNT, an MA in Biblical Studies from Dallas Theological Seminary, and a Bachelor of Fine Arts in Radio/TV/Film from TCU. I have taught at the college-level for over 30 years.

**Occupational Background**

I earned my Ph.D. in 1999. I am a Full Professor at Tarleton State University. I have worked at Tarleton since 2006.

**Relevant Experience**

I have been a member of the Board of Adjustment either as an alternate, member, or Chair since 2010. I own 3 houses in Stephenville. I know the process and workings of city government, especially this appellate Board. I have studied law and am a former president of several organizations (Texas College English Association, South Asian Literary Association, Conference of College Teachers of English, and Rotary Club). Currently I am the treasurer of the Texas Association of Creative Writing Teachers and the South Asian Literary Association.

**Community Involvement**

I am a 2-time president of the Stephenville Rotary Club, especially involved with coordinating the youth scholarships (to both high school students and university students). I am the longtime host of a weekly radio program (The Beatles and Beyond) on Tarleton Public Radio (90.5 FM) and the announcer of the Tarleton State University marching band. I once ran for city council and am an active participant in local politics. I have a long track record of working well with people of all persuasions, political or otherwise. I have been the emcee of a few Veterans Day Parades in Stephenville, but am also active in statewide, national, and international organizations, having served as president of both the Conference of (Texas) College Teachers of English and the

international South Asian Literary Association. I am currently serving on the national College English Association Board of Advisors.
