BACKGROUND:

The City has previously abandoned streets near and through the Tarleton State University Campus for campus expansion or improvements.

Chapter 95 of the City of Stephenville Code of Ordinances allows for the abandonment of streets and alleys by petition or council initiative. Council initiated such action at the regular business meeting on November 7, 2023, approving resolutions to abandon. The Planning and Zoning Commission is now charged with holding a public hearing and providing a recommendation to the City Council. The applicable sections of the city code are as follows:

ARTICLE IV. - CLOSING STREETS AND ALLEYS

Sec. 95.50. - Reference to transportation code.

Provisions for the closing of streets and alleys are granted by the V.T.C.A. Transp. Code § 311.07. The procedures and regulations set out herein are consistent with the requirements of the Code and set out regulations to be followed in the closing of streets and alleys.
(Ord. 2015-11, passed 7-7-2015)

Sec. 95.51. - Public hearing generally.

The City Council, on its own initiative, may call a public hearing to determine whether or not any street or alley in the city, or any portion thereof, should be closed or abandoned as a public thoroughfare.
(Ord. 2015-11, passed 7-7-2015)

Sec. 95.54. - Recommendation of the planning and zoning commission.

Before City Council may take final action to adopt any ordinance to close a street or alley the Planning and Zoning Commission shall review the request from the point of view of impact on future traffic circulation in the city and shall make a recommendation on such matters to the City Council. The Planning and Zoning Commission shall be required to conduct a public hearing. (Ord. 2015-11, passed 7-7-2015)
