[EXTERNAL EMAIL] THINK BEFORE YOU CLICK

Joey,

Please see below. Would you be able to write up an Ordinance to have this changed in your system from S PONTCHARTRAIN DR to ST LOUIS ST? Let me know if you need any more information to proceed.

Thank you!!

Subject: S PONTCHARTRAIN DR & ST LOUIS ST

Ben,

A request was submitted for parcels (REID: 79108) that are off a gravel road west from the intersection of S 24TH ST (RIN: R07F010) and ST LOUIS ST (RIN: R07G011) in Lacombe. Our parish-maintained roads layer (2024) has this "gravel road" as being maintained by the parish as S PONTCHARTRAIN DR (RIN: R07F001). Tania Miller with STP GIS states that there is an ordinance that names this as S PONTCHARTRAIN DR (84-383), but it was originally platted as the western side of ST LOUIS ST. I don't believe that this gravel road actually connects to S PONTCHARTRAIN DR from the north and we need this to be corrected before we can assign addresses for these parcels. Attached is a map snippet of the parish maintained roads layer where S PONTCHARTRAIN DR is labeled as well as google street view images of the parish road signs out there.

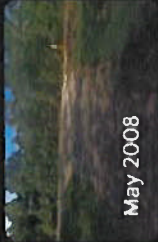

Thank You!
