Amendment No. 17 - 2024 Operating Budget - November Meeting 2024

This budget amendment is to:

a.	128 - ST. TAMMANY PARISH LIBRARY FUND	FUNDING SOURCE: AD VALOREM TAXES
	129 - STARC/COUNCIL ON AGING FUND	FUNDING SOURCE: AD VALOREM TAXES

Amend the budget to increase revenues and expenditures associated with an increase in ad valorem revenue and transfers to these entities, as the 2024 budget was estimated from the 2022 grand recap plus a 3% increase. The budget amendment is proposed in compliance with the Local Government Budget Act, specifically R.S. 39:1311. This statute requires the governing authority to adopt a budget amendment if there is a 5% or greater shortage in revenue or a 5% or greater overage in expenditures or if there is a 5% or greater variance in the actual fund balance at the beginning of the year. These special revenue funds for the Library and STARC/COAST were established by the Parish to account for the ad valorem taxes specifically designated for those entities in accordance with the language of the tax propositions. As projected revenues exceed budget, the required expenditures transferred to these entities are proposed to increase.

The Parish levies the ad valorem taxes, the Sheriff bills and collects the tax from the citizens, and then the Sheriff distributes the collections monthly to the Parish. Property taxes are levied on a calendar year basis and are due on December 31st of each year. The Parish records 98% of property tax billed as collectible revenue and sets up an accounts receivable at December 31st for the taxes estimated to be collected. The Parish also records an expenditure and account payable to the entity for the taxes to be transferred once the Parish receives the taxes from the Sheriff.

In accordance with governmental accounting standards, the Parish records revenue based on the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Ad valorem taxes are considered to be available when they are collectible within 90 days of the end of the fiscal year.
