WHEREAS, on August 04, 2023, a moratorium was established by the adoption of Ordinance Council Series No. 22-4945, which was subsequently extended by Ordinance Council Series No. 23-5078, Ordinance Council Series No. 23-5198, and Ordinance Council Series No. 24-5489, imposing a six (6) month moratorium on the receipt of submissions by the Parish Planning and Zoning Commission for the rezoning of multi-family property and/or on the issuance of certain permits by the Parish Department of Planning and Development/Permits for the construction or placement of new multi-family building structures on property zoned A-6, A-7, or A-8 in Council District 12; and

WHEREAS, on January 11, 2024, the ordinance was amended to add to the moratorium receipt of submissions by the Parish Planning and Zoning Commission and/or the issuance of permits by the St. Tammany Parish Department of Permits and Inspections for the rezoning and/or new construction or placement of any new multiple-family structure/dwelling on property with the following zoning classifications: (1) any Highway Commercial zoning classifications with lodging (including apartments, hotels, motels), or (2) any Planned Business Campus or Planned Unit Development (PUD), or (3) any Traditional Neighborhood Development (TND) zoning district in Council District 12; and

WHEREAS, the City of Slidell, which abuts District 12, has had in place since August of 2020 a moratorium on the review, construction, permitting, and approval of new multi-family dwellings within its municipal limits in order to develop a comprehensive master plan and ensure responsible development throughout the City and to further evaluate the impact of additional multi-family dwellings on City roads, drainageways, water and sewerage infrastructure, and the ability of City government to meet demand for service.

WHEREAS, similarly, St. Tammany Parish Government is in the process of developing a comprehensive plan for the Parish entitled New Directions 2040, as well comprehensive drainage and transportation plans; and

WHEREAS, these studies will help guide public and private decisions about future growth and necessary infrastructure improvements, especially in high density residential areas; and

WHEREAS, additional traffic created by the high density of multi-family developments disproportionately impacts the already overburdened roads in the moratorium area; and

WHEREAS, traffic improvement plans of residential developments in progress in District 12 should be completed before permitting new high density residential projects; and

WHEREAS, it is necessary to extend the temporary suspension on the receipt of submissions by the Parish Planning and Zoning Commission for the re-zoning of property to multi-family residential zoning districts (A-6 through A-8), or in Highway Commercial zoning classifications with lodging (including apartments, hotels, motels), or any Planned Business Campus or Planned Unit Development (PUD), or any Traditional Neighborhood Development (TND) zoning district in Council District 12, pending completion of the St. Tammany Parish Comprehensive Plan and the implementation of traffic plan improvements; and

WHEREAS, this moratorium will not affect the development of property for which the issuance of permits has been approved by the Parish Department of Planning & Development prior to adoption of this ordinance; nor the development of property that has received multi-family zoning approval from the St. Tammany Parish Zoning Commission prior to July 7, 2022, unless said approval was subsequently overturned or not adopted by the St. Tammany Parish Council; nor the development of multi-family structure/dwelling on property that has received approval in a Highway Commercial zoning classification with lodging (including apartments, hotels, motels), or Planned Business Campus District zoning classification or Planned Unit Development (PUD), or Traditional Neighborhood Development (TND) zoning classification prior to January 11, 2024 unless said approval was subsequently overturned or not adopted by the St. Tammany Parish Council; nor the rezoning or development of single or two-family residential properties (A-1 through A-5) or non-residential commercial properties; and

WHEREAS, in accordance with the St. Tammany Parish Code of Ordinances, Chapter 2, Article XVI, Section 2-620, a copy of this proposed ordinance has been placed on the parish website for a period of thirty (30) days prior to its introduction, and all other requirements of said section have been met prior to its introduction.
