2024 GRANTS BUDGET - AMENDMENT 1 - JANUARY 2024

<u>Grant #</u>	<u>Description</u>	<u>Award Description</u>
149 - GRANTS-OTHER		
S2314	State of LA-Opioid Abatement Settlement	Amendment to allocate funding received to specific programs/projects as follows:
	Opioid Treatment Clinic	The Treatment Clinic will be a semi-immediate treatment option for opioid users. The treatment will include medication-assisted treatment and case management. The clinic will be on the Safe Haven Campus and overseen by Florida Parishes Human Services Authority. The clinic will be open five days a week and the hours will be based on client needs. The clinic will accept walk-ins, law-enforcement or first responder drop-offs, referrals from court intervention services, clinics, etc. The clinic will work to build a relationship with the St. Tammany Parish Jail to treat inmates and/or individuals being released.
	Opioid Narcan Kits	Parish Government will purchase Narcan Kits to distribute to first responders, government agencies, and the public. Narcan is a medication that can revive individuals experiencing an opioid overdose, the preferred form is a nose spray. The amount and strength of the opioid taken will affect how much Narcan will be needed to revive the individual. Parish Government has provided Narcan for a few years, but the grant funding source is expiring. We need a new funding source to purchase Narcan kits going forward.
	Opioid Resuscitation Equipment	When individuals overdose, first responders need Narcan and sometimes resuscitation is required. In the past, resuscitation has only been administered by a person. Now, there are machines, Lucas and Defibtech, that can assist first responders and have proven to be effective. We will order 12 machines.
	Opioid Teen Text Line	Via Link 211 is a non-profit organization that manages the 211-resource line as well as the 988 mental health crisis line. Via Link received a grant to create and operate an Opioid Teen Text Line. The text line is available 24/7 and it serviced about 40 St. Tammany teens from July 2022 to July 2023.
	Opioid Criminal Justice Coordination	Criminal Justice Coordination is for \$45,000 for salaries for the District Attorney's Office to track opioid data and \$75,000 for salaries for the 22nd JDC for a court navigator.
