LA1077 Corridor Traffic Analysis

Scope: St. Tammany Parish is working with the LADOTD and the New Orleans Regional Planning Commission to evaluate the LA1077 corridor to determine how to make it safer and increase the capacity for vehicular traffic.

Status: Currently, the Parish is preparing to solicit vendors for qualifications in order to contract for the corridor traffic evaluation. This is the next step required by DOTD and RPC in identifying any issues. This amendment request is to add funding that the State has provided for the study via FP&C.
