LAND USE CONSIDERATIONS

SURROUNDING LAND USE AND ZONING:

<u>Direction</u>	<u>Surrounding Use</u>	<u>Surrounding Zone</u>
North	Undeveloped	A-2 Suburban District
South	Residential	A-2 Suburban District
East	Residential	A-2 Suburban District

EXISTING LAND USE:

Existing development: Yes Multi occupancy development: No

COMPREHENSIVE PLAN:

Residential - Areas that provide for dwelling units. Such areas may vary in site design, structure design, and in the density of units per acre. Certain areas such as “village or town residential” may include mixed uses and would have the highest number of units per acre, while “Rural residential” would have the lowest number of units per acre, and may include agricultural or open space uses as well. In between these two types of residential areas would be varying levels of single-family detached dwellings, multi-family attached residential, and planned subdivisions for manufactured homes.

STAFF COMMENTS:

The petitioner is requesting to change the zoning classification from A-2 Suburban District to HC-2 Highway Commercial District. The site is located on the south side of LA Highway 22, west of Timberwood Court, east of Bootlegger Road; Madisonville. The 2025 Future Land Use Plan designates the site to be developed with single-family residential & agricultural uses that vary in site design and density.

The subject property is flanked on all sides by property that is zoned A-2 Suburban District and is adjacent to existing single-family residences to the east, west, and south, and undeveloped land to the north. The purpose of the existing A-2 Suburban District is to provide for the location of single-family residences at a density of one dwelling unit per acre. The purpose of the requested HC-2 Highway Commercial District is to provide for the location of moderately scaled, intense retail, office and service uses.

A change in zoning will allow the applicant to operate any of the following permitted commercial uses:

All uses permitted in the HC-1 Highway Commercial District and Banks and financial institutions; Convenience stores with gas; Drive-in restaurants; Liquor stores; Any private office use that is a permitted use in the NC district over 20,000 sq. ft.; Clubs, lodges, fraternal and religious institutions, meeting halls (over 20,000 sq. ft.); Veterinary clinics (with outdoor kennels); Parcel post delivery stations; Mini-warehouses; Commercial kennels; Outdoor storage yards that do not occupy an area greater than 50 percent of land area, and are enclosed by an eight-foot opaque perimeter fence, located on the same parcel as, and are accessory to an existing mini-warehouse, not to be located on the street side; Lodging, 100 rooms or less (including apartments, hotels, motels); Automotive sales not to exceed two acres of display and storage; Outdoor retail and storage yards; Potable storage containers use for storage; Outdoor display area of pre-assembles building, pool and playground equipment.

It should be noted that the property is currently developed with a warehouse and a small office building. If rezoned, the 0.35-acre property will be subject to parish landscaping, parking, and drainage requirements and all other applicable regulations.
