Multi-Modal Transportation Plan

Scope: The St. Tammany Parish Transportation Program is a comprehensive initiative aimed at addressing the transportation needs of the Parish. Building upon the St. Tammany Parish Multi-Modal Transportation Plan (STPMMTP), this program seeks to refine and prioritize a list of projects that align with the vision, goals, and objectives outlined in the MMTP. These projects will be selected based on their potential to enhance connectivity, improve safety, and support effective growth management strategies within the Parish. With a focus on stakeholder and community engagement, project overviews, typical sections, and identified funding streams, the goal is to provide sufficient detail for the Parish to progress to the design and implementation phases, with the goal of executing a robust and well-defined transportation program.

Status: Project schedule for Initial Program Refinement, Marketing and Branding Coordination, and Community Outreach tasks is August to November 2024.
