Grants Department

HUD has identified St. Tammany Parish as an urban county. Urban Counties are entitlement communities under the CDBG Entitlement Program. In accordance with HUD regulations, every three years urban counties (parishes) receiving CDBG funds must requalify. This includes notifying local governing bodies their option to accept or defer status of an entitlement grantee with St. Tammany Parish. Those who accept will enter into a Cooperative Endeavor Agreement. Participation is not required for local governing bodies; However, participation does help in determining the allocation amounts for the CDBG and HOME grants that are awarded to St. Tammany Parish. For local governing bodies who wish to participate, will allow low-to-moderate residents to access CDBG funded projects.
