ADMINISTRATIVE COMMENT  
AMENDMENT NO. 28 - 2024 CAPITAL IMPROVEMENTS - JUNE 2024

SECTION I: CAPITAL IMPROVEMENTS - INFRASTRUCTURE (ROADS, BRIDGES, DRAINAGE, AND UTILITIES)

CAPITAL PROJECTS - 254 - DISASTER RELIEF

Severe Weather 24-014-Tornado

Scope: On April 10, 2024, St. Tammany Parish experienced a severe weather event, including extreme rainfall, damaging winds, tornadoes, and flooding, and in response, St. Tammany Parish Government and other agencies initiated pre-storm mitigation measures and maintenance; emergency operations and assessment; activation of shelters; debris push, pickup, disposal, and monitoring; utility services such as sewerage pumping, sludge hauling and disposal; and equipment repairs and replacement.

Status: The majority of work has been completed. Finance is working with the GOHSEP at the State regarding assistance for the expenditures incurred. GOHSEP will provide entities within the Parish with State funding to offset up to 75% of the eligible costs that they incur in removing debris related to the event. GOHSEP will execute a CEA with the Parish, who will submit invoices with supporting documents received from eligible entities to GOHSEP for reimbursement, and the Parish will then issue payments received from GOHSEP to them.

St. Tammany Parish Government
