Location: Parcels are located on the south side of W. Ochsner Blvd, west of S. Ochsner Blvd., Covington; S12, T7S, R10E; Ward 1; District 1

Petitioner: Josh Wainer
Owner: All State Financial Company - Josh Wainer
Size: 21.66 acres

Posted: April 30, 2026
Commission Hearing: May 11, 2026
Determination: Approved

Current Zoning: PBC (Planned Business Campus District) & AML (Advanced Manufacturing and Logistics District)

Requested Zoning: PBC (Planned Business Campus District) and AML (Advanced Manufacturing and Logistics District)

Future Land Use: Mixed-Use

Flood Zone: Effective Flood Zone: C; Preliminary Flood Zone: AE; CDA

Elevation Requirements: BFE 21.5' FFE 21.5'

FINDINGS

- 1. The request consists of a reallocation of zoning classifications among commonly owned parcels totaling 21.66-acres. The subject property is located on the south side of W. Ochsner Blvd, west of S. Ochsner Blvd., Covington.

Zoning History

Table 1: Zoning history of Subject Lot(s)		
Zoning Case	Prior Classification	Amended Classification
88-060	Unknown	SA
19-4202	SA	AML (Advanced Manufacturing & Logistics)
09-2116	SA	PBC (Planned Business Campus)

Site and Structure Provisions

- 2. The property is currently undeveloped.

Compatibility or Suitability with Adjacent Area

3. As shown in Table 2, the subject site abuts undeveloped property zoned Planned Business Campus to the north, undeveloped land zoned L-1 Large Lot Residential District to the south, property zoned Planned Unit Development to the east, and undeveloped land zoned Advanced Manufacturing & Logistics to the west.

Summary of Request

Table 3: Rezoning Request Summary			
	Acreage	Existing Zoning	Proposed Zoning
	17.86 acres	AML	PBC
	1.60 acres	AML	PBC
	2.20 acres	PBC	AML
Total	21.66 acres		

4. As provided in Table 3, the request is a zoning change to convert the majority of the existing AML zoning to PBC, while converting a smaller tract presently zoned PBC to AML. Specifically, the request is to align the zoning classifications of the potential parcel boundaries with access patterns and future development.

District Comparison

5. The PBC District is intended to accommodate office, institutional, medical, and campus-style commercial development in coordinated settings, generally near arterial intersections and major corridors.
- a. Purpose - To provide office space with supporting uses in a campus-type setting. This district is located particularly near or along the intersection of major arterials or a major and a minor arterial. The PBC District is intended to provide flexibility in meeting the needs of both the public and private sectors for large-scale office development.
 - b. Permitted Use: Animal services, Art studio, Athletic field, Bank or financial institution, Bed and breakfast, Civic, Club or lodge, Community center, Community home*, Convention center, Day care center, adult, Day care center, child, Day care home, Dwelling, multiple-family, Dwelling, single-family, Dwelling, two-family, Educational facility, adult secondary, Educational facility, business college or school, Educational facility, learning center, Educational facility, elementary or middle school, Educational facility, high school, Educational facility, university and associated research center, Educational facility, vocational school, Entertainment, Indoor, Garden supply and greenhouse, Golf course and recreational facility, Gymnasium, Hotel, Laboratory, Marina, commercial, Medical facility, clinic, Office, Park, Parking lot, Personal service establishment, Place of worship, Playground, Recreational vehicle park, Residential care facility, Restaurant, delicatessen, Restaurant, dine-in without lounge, Retail establishment, Short term rental*, Stormwater retention or detention facility, Tower, radio, telecommunications, television or microwave*, Townhouse*, Utility facility, Veterinary clinic, no outdoor kennels.
6. The AML District is intended to accommodate research, advanced manufacturing, warehousing, and logistics uses in locations with access to major transportation corridors.
- a. Purpose – to provide for the location of very large-scale facilities for the research and development, advanced manufacturing, and transportation/logistics industries. Such facilities should be located in close proximity to major high-capacity transportation routes, with the ideal location allowing for multi-modal opportunities. Advanced manufacturing shall mean manufacturing that uses innovative technologies and does not create air pollution and other harmful environmental impacts.
 - b. Permitted Uses: Civic, Data center and data warehousing, Distribution or Warehousing Facility, Electrical Energy Substation*, Food Processing, Manufacturing, advanced,

Manufacturing, artisan, Manufacturing, light, Office, Research and development facility, Small wireless facility*, Stormwater retention or detention facility*, Tower, Radio, Telecommunications, Television or Microwave, Warehouse, Wastewater treatment facility, limited*.

Consistency with New Directions 2040

Mixed-Use: areas are flexible and appropriate for higher concentration of residential and commercial uses, allowing shorter trips between destinations and opportunities for walkable, compact development patterns. Mixed Use areas are typically located at or near the Parish's existing hubs of activity and intersections of major roads, as well as along major traffic corridors. Mixed Use areas may also include higher density residential uses, such as garden apartments and condominiums.

The requested zoning change is consistent with the following goals, policies, and strategies of the Comprehensive Plan:

- i. Strategy 1:3:1 - Locate manufacturing and logistics areas and other high intensity land uses at appropriate distances from Residential Neighborhoods, Conservation Areas, and sensitive ecological areas to create a gradual transition zone to minimize negative impacts.
- ii. Strategy 1:5:1 - Locate new residential and commercial development within, adjacent to, or near existing towns and activity centers and associated infrastructure, services, and amenities.
- iii. Strategy 1:5:2 – Locate high intensity land uses adjacent to high-capacity transportation corridors.

Standards for Review (Sec. 200-3.1.G) - *When reviewing a zoning map amendment, the St. Tammany Parish Planning & Zoning Commission shall take the following items into consideration prior to recommending a decision to the Council:*

- i. The proposed amendment is compatible with the Comprehensive Plan and consistent with the future land use map.
- ii. The proposed amendment promotes the public health, safety, and welfare of the Parish.
- iii. The proposed amendment corrects an error or meets the challenge of some changing conditions, trend or fact.
- iv. The proposed amendment is compatible with existing use and zoning of nearby property.
- v. The proposed amendment is a more suitable zoning classification for the property than the current classification.
- vi. The proposed amendment enhances or protects the surrounding natural environment, including air, water, stormwater management, wildlife, and vegetation.
