President's Office

Resolution to acknowledge and confirm the President's appointment of Anthony "Tony" Priola as the Director of Technology.

Tony previously served as a dedicated federal public servant with over 36 years of experience with the United States Department of Agriculture. He graduated cum laude from Nicholls State University with a B.S. in Computer Science. Additionally, Tony has a Project Management Professional Certification, Federal Acquisition Certification, OPM Executive Core Qualifications Certification, USDA Senior Executive Development Program Certification and Key Executive Leadership Certification. He has extensive experience in every aspect of information technology.

Tony retired approximately a year ago as a Senior Executive with the United States Department of Agriculture managing information technology systems for payroll/personnel, human resource systems, and mortgage and financial systems nationwide. He has extensive experience in IT systems development, database design, cybersecurity and operations. Tony supervised and managed a staff of over 500 with a primary focus on meeting strategic goals and customer satisfaction. He managed a \$148 million operating budget. Tony has a broad and deep knowledge of information technology policies, laws, statutes, standards and best practices.
