3. As shown in Table 2, the subject site abuts commercial developments and the City of Slidell to the north which are zoned NC-2 Neighborhood Commercial District, a commercial property zoned HC-2 Highway Commercial District to the south, an undeveloped parcel zoned S-1 Suburban Residential District to the east, and the City of Slidell to the west.
4. The purpose of the property's existing S-1 Suburban Residential District is intended to provide single-family residential dwellings in a setting of moderate urban density. Central utility systems, convenience to commercial and employment centers and efficient access to major transportation routes are characteristics of this district. To protect the intention of the district, permitted activities are limited to single-family dwellings and certain utility uses.
 - a. The minimum lot size requirements within the S-1 Suburban Residential District include is 11,000 square feet with a minimum lot width of 90'
 - b. Agricultural and decorative ponds*, Agriculture, household stables and kennels, Community central water treatment facilities, Community home*, Dwelling, single-family, Electrical energy substation*, Small wireless facility*, Stormwater retention or detention facility
5. The purpose of the requested HC-2 Highway Commercial District is to provide for the location of moderately scaled, intense retail, office and service uses, generally located along major collectors and arterials designed to provide services to a portion of the parish. Permitted uses include:
 - a. Animal services, Art studio, Athletic field, Auto repair and service*, Automobile sales, Bank or financial, institution, Bed and breakfast, Building supply showroom, Car wash, Catering facility, Civic, Club or lodge, Community center, Community home*, Convention center, Day care center, adult, Day care center, child, Day care home, Dwelling, single-family, Dwelling, two-family, Educational facility, adult secondary, Educational facility, business college or school, Educational facility, learning center, Educational facility, elementary or middle school, Educational facility, high school, Educational facility, university and associated research center, Educational facility, vocational school, Food processing, Garden supply and greenhouses, Gas station with convenience store, Golf course and recreational facility, Gymnasium, Hotel, Kennels, commercial, Laboratory, Liquor store, Marina, commercial, Manufacturing, artisan, Medical facility, clinic, Office, Office, Warehouse, Outdoor display of building, pool, and playground equipment, Outdoor retail sales, Park, Parking lot, Personal service establishment, Place of worship, Playground, Printing establishment, Recreational vehicle park, Residential care facility, Restaurant, delicatessen, Restaurant, dine-in with lounge, Restaurant, dine-in without lounge, Restaurant, drive-thru, Retail establishment, Sales center with assembly processes, Short term rental*, Stormwater retention or detention facility, Tower, radio, telecommunications, television or microwave*, Veterinary clinic, no outdoor kennels, Veterinary clinic, outdoor kennels, Warehouse, self-storage, Wholesale goods establishment
6. If approved the applicant can apply for a commercial building or site work permit to construct any of the above reference uses. Any commercial development is required to maintain compliance with all commercial building standards including parking, drainage, landscaping, etc.

Consistency with New Directions 2040

Residential – Medium Intensity: Medium Intensity neighborhoods include a broader mix of large and small lots but remain predominantly, single-family detached homes. Attached homes such as townhomes and 2-unit homes, as well as assisted living centers may fit into the character of Medium Intensity Residential Neighborhoods. The higher density of development makes central water and sewer more practical than on-site water and wastewater systems, and infrastructure like sidewalks, subsurface drainage, and street lighting are more common. These areas are appropriate buffers between Rural or Low Intensity Residential Neighborhoods and High Intensity Residential Neighborhoods or Commercial and Institutional areas.

- i. Strategy 2:5:1 Locate high intensity land uses adjacent to high-capacity transportation corridors.
- ii. Goal 1:5 The Parish will designate adequate land served by supportive infrastructure for use by businesses and industries seeking to begin or expand.
- iii. Goal 2:5 St. Tammany Parish will attract and grow businesses that expand the Parish's tax base and provide living wage jobs to residents of varying skill levels.

Standards for Review (Sec. 200-3.1.G) - When reviewing a zoning map amendment, the St. Tammany Parish Planning & Zoning Commission shall take the following items into consideration prior to recommending a decision to the Council:

- i. The proposed amendment is compatible with the Comprehensive Plan and consistent with the future land use map.
- ii. The proposed amendment promotes the public health, safety, and welfare of the Parish.
- iii. The proposed amendment corrects an error or meets the challenge of some changing conditions, trend or fact.
- iv. The proposed amendment is compatible with existing use and zoning of nearby property.
- v. The proposed amendment is a more suitable zoning classification for the property than the current classification.
- vi. The proposed amendment enhances or protects the surrounding natural environment, including air, water, stormwater management, wildlife, and vegetation.
