Compatibility or Suitability with Adjacent Area

4. Table 3: Surrounding Land Use and Zoning

Direction	Surrounding Use	Surrounding Zoning Classification
North	Ruelle du Chene Subdivision	PUD (Planned Unit Development)
South (across Hwy 22)	Residential	L-1 (Large Lot Residential District) and NC-2 Neighborhood Commercial District
East	Jackson Court Subdivision	PUD (Planned Unit Development)
West	Undeveloped	L-1 (Large Lot Residential)

5. The subject property abuts property zoned PUD (Planned Unit Development) to the north and east, and residential/undeveloped properties to the south and west zoned L-1 Large Lot Residential District and NC-2 Neighborhood Commercial District.
6. The subject property originally contained a small portion that was designated greenspace for the adjacent Jackson Court PUD. However, a major amendment to the PUD which assimilated this greenspace into the subject property was approved by the St. Tammany Parish Planning and Zoning Commission on August 6, 2024. The original intention was to assimilate the greenspace and rezone the subject site into HC-2 Highway Commercial District (2024-3872-ZC).
7. The existing L-1 Large Lot Residential District calls for parcel sizes of 1 acre or greater with a lot width of 150 feet. The proposed L-2 Large Lot Residential District calls for a minimum half-acre parcel size with a lot width of 100 feet.
8. Per the petitioner’s application, the reason for the request is to apply for a minor subdivision on the property.

Consistency with New Directions 2040

2040 Designation: 2040 description

The proposed zoning change is consistent with the following goals, policies, and strategies of the Comprehensive Plan:

- i. Goal 0.0: Our land use, Land development, and land redevelopment decision-making, policies, and processes will be fair, transparent, and accessible to all Parish stakeholders.

Standards for Review (Sec. 200-3.1.G) - When reviewing a zoning map amendment, the St. Tammany Parish Planning & Zoning Commission shall take the following items into consideration prior to recommending a decision to the Council:

- i. The proposed amendment is compatible with the Comprehensive Plan and consistent with the future land use map.
- ii. The proposed amendment promotes the public health, safety, and welfare of the Parish.
- iii. The proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.
- iv. The proposed amendment is compatible with existing use and zoning of nearby property.
- v. The proposed amendment is a more suitable zoning classification for the property than the current classification.
- vi. The proposed amendment enhances or protects the surrounding natural environment, including air, water, stormwater management, wildlife, and vegetation.
