---

Mitchell,

Thanks for your help with the roadway name change. The roadway ROW is approximately 40' wide.

I have spoken with two of the three residents and am actively trying to get in touch with the third. Please forward along the Change of address forms and I should be able to forward along to the residents.

Let me know if you need anything else.

Mitchell,

The new name of "South River Road" has been approved by 911 Communications and I am preparing to submit the ordinance this afternoon so that it can be placed on the October Council agenda. If you could please provide me the width of the road so that I may properly enter it into the ordinance I would greatly appreciate it!

In addition we as the Parish will have to notify the three residences that their address has been changed after the ordinance has been passed, but Ben will be sending me the "Change of Address" forms for us to give to the residents.

Thank you,

**Mitchell S. Kogan**

Ben,

Below are three road name proposals for the now-altered portion of River Road in Covington:

1. River Road Extension
2. South River Road
3. Southwest River Road

Please let me know which of these are applicable for 911 so that I may submit the paperwork. Tomorrow (9/13) is the deadline to get on the October council agenda, so if you find that that any of these are an approved name, please let me know so that I may fill out the form and get it back to you for a signature.

Thank you!
