Request for temporary Water shutoff

I reviewed my water usage for the past 4 year. I have used less that 1000 cubic feet. I have paid \$9.90 per month as minumim charge. I do not have a residence there or animal there. As I have paid \$500. for water service during that time merely for the purpose of fire safety, I am requesting a temperary cutoff of service and monthly billing. I wish to retain my water service share. My address is 9528 Swartwood Rd,Sumas,WA

Thank you

Art Bobb
