Meeting Date: December 22, 2025

Subject:

Amendment #2 to the Wastewater Agreement with the City of Abbotsford

Department: Finance

Prepared By: Mollie Bost

Agenda Location:

Public Hearing Old Business New Business Staff Reports

Brief Summary:

The City of Abbotsford has presented Sumas with an Amendment to the Wastewater Contract removing the language that states 944 ERUs as our annual maximum and replacing it with "the previously highest number of ERU's."

This will safe guard the City from compounding ERU overages, and allowing for the threshold to adjust when and if the City meets or exceeds the current number of ERU's in any given year.
