

TO: Deputy City Clerk, Mason Peters
DATE: February 6, 2025
FROM: Associate City Engineer, Roark Weber
SUBJECT: Parcel Map 2928 for Boundary Line Adjustment of APNs 018-152-045; 046;
& 050

This Parcel Map 2928 has been reviewed in accordance with Chapter 17.20.040 of City Code and found compliant with City Council Resolution 23-24-14 approving Merger of these parcels and establishing adjusted boundaries for two parcels consistent with City Code.

Parcel Maps require City Council approval pursuant to Chapter 17.20.050 of City Code and acceptance of easement offers of dedication is required for map condition compliances; draft Resolution is attached.

The City Clerk certificate has been worded for acceptance of the easements and the proposed Resolution worded accordingly (attached).

When map original is received at City Hall, please contact me and I'll sign map readying it for council consideration.

Thank you.
