

STAFF REPORT

TO: CITY COUNCIL
MEETING DATE: JUNE 3, 2024
FROM: TOM DUBOIS, CITY MANAGER
SUBJECT: AMADOR CITY FUEL BREAK PROJECT

Staff was requested to bring this to council along with Amador City. We are presenting the information to you for council discussion and determination.

Staff does not have a lot of information about the background of the project and is not recommending one course of action.

RECOMMENDATION:

Discuss the issue and either authorize staff to submit a letter on behalf of the City Council to the Foothill Resource Management in support of their Amador City Fuel break project proposal to the Amador Fire Safe Council or decide not to support the item at this point in time.
