### **DISCUSSION:**

The City recently became aware of two short-term rentals operating within City limits without prior approval. One such property, located at 290 Gopher Flat Road, received approval from the County and has been remitting transient occupancy tax since January 2024. In April 2025, the County identified the property as outside its jurisdiction and informed the applicant accordingly. Upon learning of the jurisdictional error, the applicant contacted the City and is now seeking a Conditional Use Permit (CUP) to continue operating the short-term rental.

This property has operated without incident since January 2024.

If approved, this CUP would bring the total number of permitted short-term rentals within the City to 21.

### General Plan and Zoning

The home is located in a single-family Residential Zone (R-1). Short-term rental units are functionally equivalent to Bed and Breakfast Inns. Bed and Breakfast Inns are permitted in any zone upon securing a Conditional Use Permit. (Municipal Code Section 18.60.020(B)).

### Parking

The home has a driveway that can accommodate up to 10 cars.

### California Environmental Quality Act (CEQA) Guidelines

This use qualifies for a Categorical Exemption under Class 32 (In-Fill Development Projects)
