Message: Hi Tom, my family and I bought a place on Gopher Flat back in August and I have some concerns regarding pedestrian safety getting into town just a few short but dangerous blocks on Gopher Flat. <https://docs.google.com/document/d/1w3iazUr0r-WRkvLQtK9A7pd8om2Wvkl2ez3tiofjGSQ/edit?usp=sharing> Could you provide some insight into feasibility of speed tables/sidewalk, speed limit signs, etc? Thank you, Justin
