

Board of Commissioners Meeting Agenda Item Submittal

Item To Be Considered: **PEV Charging Station Proposed Fees & Fee Schedule Amendment**

Board Meeting Date: **August 13, 2024**

Prepared By: **Sonia Johnson – Finance Director**

Overview: To ensure the continued availability and maintenance of this service, we are proposing a fee for using the PEV charging station.

These fees will help cover the costs associated with electricity usage, maintenance, and potential future upgrades of the charging infrastructure.

The proposed fee was based on an average of other local jurisdictions in the area. Our proposed fee for vehicle charging is \$.20 per kWh and an additional \$5.00 per hour after 3 hours of the vehicle being fully charged.

Background Attachment(s): Fee Schedule FY 2024-2025 with proposed fees

Recommended Action: Motion to approve the PEV charging station proposed fees & the Fee Schedule Amendment for PEV charging station fees.
