Hi, this is Sanci Kennedy with Sweeny Beautification. We would like to be put on the agenda ASAP for the Sweeny farmers market we are trying to get started. We would like to ask the city if we can use the open lot next to city hall (pride day cook off area) we wouldn't need a variance, no alcohol will be permitted. It would be on a Saturday, 4-6 hours. We would like for our first one to be held in August. Any questions please reach out.

Thank you
