#### Executive Summary

Project Graduation is requesting allowance of the annual senior bonfire to be held on SISD property. Previous approved date was cancelled due to other school events. Proposed dates are listed below and within the agenda request. Due to scheduling and extracurricular activities, dates listed are potential dates for hosting, but have not been solidified. Requestor will be in attendance to answer any questions that may arise.

Request is to approve listed dates to host one bonfire upon deciding. Project graduation is aware of the required actions and notifications to be given to the Fire Marshal and Fire Department.

This request will require a variance to Ordinance 92.01; Outdoor burning of waste; Combustible material.

Administration requests, if allowed, the motion include language contingent on the burn ban, approvals from SFD and FM, and notification to the City of selected date.

#### Recommended Action

To approve the variance to Ordinance 92.01, allowing Project Graduation to hold one requested annual Senior's Bonfire on SISD property, as per the requested dates proposed, subject to a burn ban in effect, and to follow all Fire Department and Fire Marshal regulations with submittals for approvals to the respective agencies, and to notify the City of selected date prior too.
