Debris Monitoring Services Review

Term of Contract: The actual contract value will be negotiated with the successful proposing agency prior to issuance of the notice to proceed for each event.

Work shall begin on notice to proceed and continue for no longer than 60 days, unless extended by the City with 10 days written notice. Consultant must be prepared to fully deploy debris monitors within 24 hours from the notice to proceed.

Upon award and contract, length of contract will need to be specified.

Scoring Criteria	Max Points Possible	Assessed Points	Notes/Important Information
Limit of 10 pages	5 points	3	Went over by 2 12 Pages total
Office Location / Key Personnel	5 points	5	
Evidence of Satisfactory Completion of Disaster Debris Monitoring in the past 5 years at similar jurisdictions	15 points	15	Shows 33 Completed Monitoring jobs complete
The scope, project budget, and operation duration	15 points	13	look good
Summarized past experience	5 points	5	Good Summarized exp
List of references	5 points	0	2 Numbers Disconnected and The 3rd would not take my call.
