Debris Removal & Emergency Services Review  
 Term of Contract: One year contract with the possibility of two (2) one year extensions

Scoring Criteria	Max Points Possible	Assessed Points	Notes/Important Information
Firm Qualifications and Experience	20 points	20	Great examples of relevant, local experience. Locally based is a plus when considering response.
Personnel Qualifications	20 points	20	More than 100 years of combined experience represented with this proposed team.
Project Management Plan	40 points	40	Very thorough plan that includes schedule equipment table, timelines, etc. * Tony Full served on the FEMA PA program for over 15 years - IKE <sup>technical</sup> <sub>Here</sub>
Cost of Professional Services	20 points	15	Many costs in the included Appendix E were significantly higher than other respondents, however, many were notably <u>LESS</u> .
<b>Total</b>	<b>100 points</b>	<b>95</b>

 (Rapid Response)

Debris Removal & Emergency Services Review  
 Term of Contract: One year contract with the possibility of two (2) one year extensions

Scoring Criteria	Max Points Possible	Assessed Points	Notes/Important Information
Firm Qualifications and Experience	20 points	15	Cited examples of experience were <u>very</u> high level, I would have liked a bit more elaboration.
Personnel Qualifications	20 points	20	Great staff / team experience & I like the presentation, very easy to go through this section.
Project Management Plan	40 points	40	well prepared plan, laid out in an easy to understand manner. Subcontractor list included which is a positive.
Cost of Professional Services	20 points	10	Seems very <u>elastic</u> compared to other respondents. Much higher in <u>many</u> items, significantly lower in others.
<b>Total</b>	<b>100 points</b>	<b>85</b>
