Facility: RN102998382, CITY OF SWEENY WWTP
Issued to: OWNER, CN600584015, CITY OF SWEENY

Dear Permittee:

Permit No. WQ0010297001 will expire at midnight, 03/03/2025. You are required to file an application for renewal of the existing permit **180 days prior to the date of expiration**. This will be the only notice you will receive for the referenced permit.

Notice of permit expiration is sent as a courtesy to the permittee. It is the responsibility of the permittee to renew the permit within the required timeframe. **Failure to submit an application on time may result in enforcement actions or expiration of the permit.** Failure to submit a complete application may cause the application to be returned.

If the permit is allowed to expire, continuation of any disposal activities beyond the date of expiration is a violation of the Texas Administrative Code and will be subject to administrative penalties.

If you wish to cancel the permit, please submit Request to Cancel Form No. 20029 to the Application Review and Processing Team of the Water Quality Division Support Section (MC-148) as soon as possible. To avoid assessment of the required water quality annual fee, you must submit the Cancellation Form prior to September 1. Please keep in mind that the Request to Cancel must be approved, along with any other documents, plans or reports required by the TCEQ.

For your convenience, the application forms are now available online at www.tceq.texas.gov. If you should have any questions or comments, please call the Applications Review and Processing Team at (512) 239-4671. If you have any technical questions, please call the Wastewater Permitting Section at (512) 239-4671.

Sincerely,

Erwin Madrid, Team Leader
