New ordinance on Exterior Security Cameras at apartments. this ordinance is a government overreach. and was passed due to two unsolved homicides at one LIHTC apartment site. It unfairly targets conventional apartment landlords. It should also be noted that RV parks as well as all businesses should have been included in this ordinance in that they are a higher risk for crime than conventional apartments.

I also find it ironic that the one LIHTC facility where the homicides have occurred was brought in this town by one of our past mayors who wanted to solve the problem of stagnant growth in this town. He also left town as soon as he retired. Sometimes our solutions create larger problems
