Please include specific details of the item you wish to be placed on the agenda.

To whom it may concern,

This is a request to be considered for a burn variance for the Sweeny High-School bonfire. We are looking at doing this on Nov. 5th, 2025 and have scheduled a possible alternative date for Oct. 25, 2025. Please take into consideration that the Sweeny Fire Department and Sweeny ISD are onboard with this and the attached letters from each are affixed to this email as well. The location will be the same as years past which is within the kindergarten loop behind the Sweeny Elementary School.

Thank you for your consideration and patience with this matter,

Robert Hunt

Requests must be received by the City Manager, **by close of business on the last business day of the month**, to ensure placement on the following month's agenda. Administration and/or their designee reserves the right to delay the item to the following regularly scheduled meeting if it is determined that more time is needed in order to compile information specific to the request. This updated deadline is pursuant to H.B 1522, enacted and effective as of September 01, 2025.

Regular Session Council meetings are held the third (3rd) Tuesday of each month. Agendas are required to be posted at least three (3) business days before the scheduled date of the meeting.

Once Council has acted on an agenda item, that item cannot be placed on the agenda for a period of six (6) months. Exception is provided if three members of Council ask that the item be returned early to the agenda, or the Mayor or the City Manager determines it is in the interest of the City to do so.
