Executive Summary

Previously Council designated the Community Center as the Emergency Operations Center with City Hall as an alternate location; Resolution 23-104.

Request has been made to change the alternate location to the Seniors Building. This would still leave the Community Center as the Emergency Operations Center, only designating a change to the alternate location.

Proposed Resolution is attached.

Recommended Action

If approving:

I move we approve the resolution designating the Community Center as the Emergency Operations Center and the Seniors Building as an alternate location.
