#### Executive Summary

Project Graduation is requesting allowance of the annual senior bonfire to be held on SISD property. This would require a variance to Ordinance 92.01; Outdoor burning of waste; Combustible material. Date of requested bonfire is Thursday, November 14<sup>th</sup>, 2024.

Administration requests, that if allowed, the motion include language contingent on the burn ban currently in place.

Suggestion: to establish an additional date in the motion as a alternate date, in the event of rainout, burn ban, cancellation, etc.

#### Recommended Action

To approve the variance to Ordinance 92.01, allowing Project Graduation to hold the requested annual Senior's Bonfire on SISD property, on November 14, 2024, or \_\_\_\_\_, as an alternate date, subject any burn bans in effect and following all Fire Department and Fire Marshal regulations.
