Executive Summary

At the January 30th Special Meeting, Council requested to meet twice monthly. This agenda item is to confirm Council's direction on future proceedings to determine the meetings calendar.

Per the previous motion, the 1st Tuesday of the month was specifically designated for water discussion. The 3rd Tuesday of the month (the regular meeting) would contain normal action items to include ceremonial presentations and consent agenda items. During the last several months, the topic has veered course. Staff is looking for direction on Council's preferences.
