Please provide a brief background on yourself and tell why you are applying for the specified position. What is your vision for specified organization?

I am a third-generation resident with deep ties to the City of Sweeny, where I grew up and graduated. Sweeny has always been home to my family, and today my own children are enrolled in the school district, which further strengthens my personal investment in the community's future. Professionally, I serve as an Operations Manager within Brazoria County, where I oversee daily operations, coordinate resources, evaluate data to guide decisions, and work within regulatory and budgetary frameworks. My role requires practical problem-solving, long-term thinking, and an understanding of how public decisions affect residents and services.

I am applying for this position because I care deeply about the continued growth and stability of Sweeny. Having grown up here, I appreciate the character, strengths, and values that make the city unique. Planning and zoning decisions play a critical role in shaping the community's development, protecting neighborhoods, supporting local businesses, and ensuring infrastructure and land use decisions are made responsibly. I would welcome the opportunity to give back to the city that has played such an important role in my life.

My vision for the Planning & Zoning Board is to support thoughtful, balanced development that respects Sweeny's identity while preparing for the future. I believe decisions should consider long-term impacts, community needs, infrastructure, safety, and sustainability. I would approach this role with fairness, careful evaluation, and a commitment to serving the best interests of the city and its residents.
