2. Please give a brief description of your experiences or training that you feel qualifies you for this particular position.

I worked for the Forest Service and Bureau of Land Management for 30+ years. Presently, I'm 3 years retired from my forestry technician position where I worked in fire, silviculture and recreation. I participated on multiple interdisciplinary teams developing projects and implementing operations that benefitted ecosystems and the public.

3. List current involvement in other community groups and/or activities.

In my retirement I continue to volunteer at the Sweet Home RD as a forest patrol. I work approximately 20hrs/week over the summer months helping to educate the public on National Forest rules and regulations. In addition I participate as a retired annuitant on Type 1,2 and 3 fire teams. Last year I volunteered with the Oregon Jamboree as a member of the Crowd Management team.

4. What special contribution do you feel you can make to the group/position you are applying for?

In my work with the FS and BLM I've worked on a lot of large landscape planning projects with a diverse group of people. I enjoy the teamwork and implementing projects that benefit the land and the public. Sweet Home has a lot of potential to provide its people with safe clean parks and tourists with a destination to visit.
