- Developments of note: For your reference, below are some developments of note that were previously reported. Changes are noted with bold text.
- Duck Hollow Phase III Subdivision: 51-lot single-family home subdivision located adjacent to the existing Duck Hollow Subdivision ( $41^{\text {st }}$ Avenue and Long Street). This subdivision received planning approval in 2020, however there was a long delay due to wetlands regulations administered by the Oregon Department of State Lands. State approval has been granted, and construction is expected soon.
- Live Oak Subdivision: 8-lot single-family home subdivision located between the two existing portions of Live Oak Street. The subdivision was approved in 2021, however the property changed hands, which delayed development. The new owner is planning on constructing 8 duplexes ( 16 housing units) on the lots. Development of the road and infrastructure is complete, and construction of the first buildings has begun.
- Foothills Ridge Subdivision: 21-lot single-family home subdivision located at the west end of Foothills Drive. This subdivision was approved in 2021, however the owner has run into delays with his engineering firm, and recently applied for an extension. The construction timeline is unknown.
- Santiam River Development Phase 1:42-lot single-family home subdivision located at the north end of Clark Mill Road. Planning approval was granted at the beginning of this year, however some of the property is being sold to a different developer. It is unknown when construction will begin.
- Clear Water Subdivision: 18-lot single-family home subdivision located on the west side of $45^{\text {th }}$ Avenue, just north of Kalmia Street. Planning approval was granted in June. Road, sidewalk, and other infrastructure construction is complete. Construction on the first houses is expected to start in the next month.
- Domino's Pizza is under construction at the northwest corner of Main Street and $22^{\text {nd }}$ Avenue. The modular commercial building was placed on site, but construction is not yet complete.
- Coulter Subdivision: The Sweet Home Planning Commission recently approved a 157-Iot low-density residential subdivision located at $43^{\text {rd }}$ Avenue and Coulter Lane. This subdivision will be built in four phases; however it is unclear when construction will start. The property includes wetlands, and development will require mitigation and permitting through the Department of State Lands, which will likely decrease the number of lots that are ultimately developed. The initial phase is unhindered by wetlands and will likely move forward as soon as market conditions warrant construction.

## 2. PLANNING

- Summary of Final Decisions of Planning Division Applications:

| Application Type | June, 2024 | May, 2024 | $\mathbf{2 0 2 4}$ <br> YTD | $\mathbf{2 0 2 3}$ <br> Total | 2019-2023 <br> Annual Average |

- 3 Land Use Applications were submitted in June.
- 5 Land Use Applications are pending final approval.
- 2 Fence Permits were issued in June.
- 0 Temporary RV Permit was issued in June.
- The City received a grant from the State to update our Transportation System Plan and create an Area Plan for the undeveloped land on the north side of the City. The project is fully underway and expected to be complete by October $31^{\text {st }}$.
- Work is now underway on the City's Housing Production Strategy. This project is grant funded and fulfills a State requirement.
- The Planning Commission last met on March $21^{\text {st }}$. Due to a lack of applications, there is currently no scheduled meeting in July. The next meeting will be August 1, 2024.

## 3. ECONOMIC DEVELOPMENT

- The City is seeking interest from developers for a public-private-partnership with the City at the Quarry Property. A Request for Interest (RFI) was published to solicit interest that will fit with the City's goals for the property, however, the RFI closed on June $5^{\text {th }}$ with no responses.
- The consensus of a recently convened community group is that Sweet Home should follow the community vision process that Independence described by restarting SHARE, a previous revitalization effort. Staff are working with community partners on the next steps of this effort.
- The first phase of implementing the Downtown Streetscape and Parking Plan is underway. Staff have drafted plans to convert $10^{\text {th }}$ and $13^{\text {th }}$ Avenues between Long and Main Streets to one-way parking to allow for additional parking and the EV charging station. The Council recently approved changing these streets to one-way southbound traffic. Staff have finalized the parking plan. The next step is to restripe the streets and install signs and delineators.

This was expected to be complete by June $30^{\text {th }}$, however it has been delayed due to lack of public works staff capacity.

- The EV Charging Station project was delayed by concerns raised by Pacific Power, but construction is now complete, and the only work left in the project is restriping the street and installing the signage. This was expected to be complete by June $30^{\text {th }}$, however it has been delayed due to lack of public works staff capacity.

The City's Code Compliance Officer responds to complaints submitted through the City's website, and actively patrols the City and works to resolve identified code violations. This position is currently vacant, with little to no work taking place in April or May, however some duties are being taken on by our Building Permit Technician.

## 5. PARKS

- The Park and Tree Committee last met on June $19^{\text {th }}$. Their next meeting will be July $17^{\text {th }}$, 2024.
- Work continues on updated the Parks System Master Plan. It was expected to be complete by June 30, 2024, however recent requests by the consultant may delay adoption until the end of summer.
- Staff have applied for a grant from the Oregon Park and Recreation Department for Phase III of Sankey Park improvements, which will include a replacement structure for the nowdemolished bandstand and trail connections to the upper portion of the park. The application has passed the first review, and Staff gave a presentation to the grant review committee on June $27^{\text {th }}$. Staff recently received an award letter for this grant. Staff and the Park \& Tree Committee are continuing to solicit and gather donations. A Request for Proposals was issued for the engineering design work, and recently closed. Staff negotiated a contract with the winning bidder, and the cost came in below the threshold required for Council approval, and within the City Manager's approval authority.
- Design work is underway for a new park adjacent to City Hall. The Park will include a donated playground structure and dog park.
- Movies in the Park is back this summer, and will take place on June $16^{\text {th }}$, July $14^{\text {th }}$, and August $11^{\text {th }}$ in Sankey Park.

## 6. OTHER PROJECTS

- Willow Street Neighborhood LID: Staff have finalized a financing plan, and recently received approval from the financing agency. A Request for Proposals was issued, however new information on current conditions has come to light which requires the RFP to be reissued. The City is utilizing its Engineer-of-Record contract to do the initial engineering design, after which an RFP for construction will be issued.
- The ODOT Foster Lake Sidewalk Project: Construction is nearly complete. Staff are working with the Railroad and ODOT on a plan to construct the portion that lies under the railroad trestle.
- Engineering on the $2^{\text {nd }}$ Avenue/Holley Road pedestrian crossing, which is funded by a Safe Routes to School Grant, is complete and a Request for Proposals for the work has been issued. A contract for the remaining work has been signed, and the contractor has ordered materials and equipment. This project has been delayed by ODOT permitting, however permits were recently granted, and Staff are working with the contractor to get the project moving again. Construction is complete, and the project has passed ODOT inspection. Staff are now closing out the grant.
