Reports of Committees:

Community Health Fair Committee

Dick Knowles reported the committee visited the LBCC campus as a possible site for the Health Fair.

Western University

Student Rep Beatrice Reeves reported on a blood drive at the Sweet Home High School on May 10th from 9am until 2pm.

Western University is having a mentor recognition ceremony at the High School Stadium on May 20th for about an hour starting at noon. This will be the first time the mentors will have been physically with the mentees due to COVID.

The Healthy Living Poster Contest has concluded, and the winners have been selected. The posters will be on display at City Hall.

Homeless Action Committee

Brock Byers gave a status update on the site, donations, and hut construction. The committee discussed energy saving options. An update on laundry facilities, bathrooms, showers, and beds was given.

Brock Byers stated they are going to add a committee member application to their website. They are seeking board members who have lived experience, police department, City Council, and business owners. They are looking for community members who are willing to support the project as part of a seven-member board appointed by the FAC. Councilor Gourley requested to review the goals and mission statement of the seven-member community board.

Brock Byers sadly reported that they may have lost the \$100,000 grant but are trying to meet with the donor to see if it can be resurrected.
