In accordance with the terms and conditions of this Agreement, State shall provide Recipient an amount not to exceed **\$74,475.00** (the "Grant Funds") for eligible costs described in Section 6.a. hereof. Recipient shall provide matching funds for all Project Costs as described in Exhibit A. Recipient will be responsible for all Project Costs not covered by the Grant Funds.

Reports shall include a statement of revenues and expenditures for each quarter, including documentation of local match contributions and expenditures. State reserves the right to request such additional information as may be necessary to comply with federal or state reporting requirements.
6. **Disbursement and Recovery of Grant Funds.**
 - a. **Disbursement Generally.** State shall reimburse eligible costs incurred in carrying out the Project, up to the Grant Funds amount provided in Section 3. Reimbursements shall be made by State within 30 days of State's approval of a request for reimbursement from Recipient using a format that is acceptable to State. Requests for reimbursement must be entered into OPTIS or sent to ODOTPTDReporting@odot.oregon.gov. Eligible costs are the reasonable and necessary costs incurred by Recipient, or under a subagreement described in Section 9 of this Agreement, in performance of the Project and that are not excluded from reimbursement by State, either by this Agreement or by exclusion as a result of financial review or audit.
 - b. **Conditions Precedent to Disbursement.** State's obligation to disburse Grant Funds to Recipient is subject to satisfaction, with respect to each disbursement, of each of the following conditions precedent:

 - ii. Recipient is in compliance with the terms of this Agreement including, without limitation, Exhibit D and the requirements incorporated by reference in Exhibit D.
 - iii. Recipient's representations and warranties set forth in Section 7 hereof are true and correct on the date of disbursement with the same effect as though made on the date of disbursement.
 - iv. Recipient has provided to State a request for reimbursement using a format that is acceptable to and approved by State. Recipient must submit its final request for reimbursement following completion of the Project and no later than 60 days after the Expiration Date. Failure to submit the final request for reimbursement within 60 days after the Expiration Date could result in non-payment.
 - c. **Recovery of Grant Funds.**
 - i. Recovery of Misexpended Funds or Unexpended Funds. Any Grant Funds disbursed to Recipient under this Agreement that are either (i) disbursed but unexpended as of the Expiration Date ("Unexpended Funds") or (ii) expended in violation or contravention of one or more of the provisions of this Agreement ("Misexpended Funds") must be returned to State. Recipient shall return all Misexpended Funds to State no later than 15 days after State's written demand. Recipient shall return all Unexpended Funds to State within 15 days after the earlier of expiration or termination of this Agreement.
 - ii. Recovery of Funds upon Termination. If this Agreement is terminated under either Section 10(a)(i) or Section 10(a)(v) below, Recipient shall return to State all funds disbursed to Recipient within 15 days after State's written demand for the same.
7. **Representations and Warranties of Recipient.** Recipient represents and warrants to State as follows:
 - a. **Organization and Authority.** Recipient is duly organized and validly existing under the laws of the State of Oregon and is eligible to receive the Grant Funds. Recipient has full power, authority, and legal right to make this Agreement and to incur and perform its

obligations hereunder, and the making and performance by Recipient of this Agreement (1) have been duly authorized by all necessary action of Recipient; (2) do not and will not violate any provision of any applicable law, rule, regulation, or order of any court, regulatory commission, board, or other administrative agency or any provision of Recipient's Articles of Incorporation or Bylaws, if applicable; and, (3) do not and will not result in the breach of, or constitute a default or require any consent under any other agreement or instrument to which Recipient is a party or by which Recipient or any of its properties may be bound or affected. No authorization, consent, license, approval of, filing or registration with or notification to any governmental body or regulatory or supervisory authority is required for the execution, delivery or performance by Recipient of this Agreement.

- b. **Binding Obligation.** This Agreement has been duly executed and delivered by Recipient and constitutes a legal, valid and binding obligation of Recipient, enforceable in accordance with its terms subject to the laws of bankruptcy, insolvency, or other similar laws affecting the enforcement of creditors' rights generally.
- c. **No Solicitation.** Recipient's officers, employees, and agents shall neither solicit nor accept gratuities, favors, or any item of monetary value from contractors, potential contractors, or parties to subagreements, except as permitted by applicable law. No member or delegate to the Congress of the United States or State of Oregon employee shall be admitted to any share or part of this Agreement or any benefit arising therefrom.
- d. **No Debarment.** Neither Recipient nor its principals is presently debarred, suspended, or voluntarily excluded from this federally-assisted transaction, or proposed for debarment, declared ineligible or voluntarily excluded from participating in this Agreement by any state or federal agency. Recipient agrees to notify State immediately if it is debarred, suspended or otherwise excluded from this federally-assisted transaction for any reason or if circumstances change that may affect this status, including without limitation upon any relevant indictments or convictions of crimes.

The warranties set in this section are in addition to, and not in lieu of, any other warranties set forth in this Agreement or implied by law.

8. **Records Maintenance and Access; Audit.**

- a. **Records, Access to Records and Facilities.** Recipient shall make and retain proper and complete books of record and account and maintain all fiscal records related to this Agreement and the Project in accordance with all applicable generally accepted accounting principles, generally accepted governmental auditing standards and state minimum standards for audits of municipal corporations. Recipient shall require that each of its subrecipients and subcontractors complies with these requirements. State, the Secretary of State of the State of Oregon (Secretary), the United States Department of Transportation (USDOT), the Federal Transit Administration (FTA) and their duly authorized representatives shall have access to the books, documents, papers and records of Recipient that are directly related to this Agreement, the funds provided hereunder, or the Project for the purpose of making audits and examinations. In addition, State, the Secretary, USDOT, FTA and their duly authorized representatives may make and retain excerpts, copies, and transcriptions of the foregoing books, documents, papers, and records. Recipient shall permit authorized representatives of State, the Secretary, USDOT and FTA to perform site reviews of the Project, and to inspect all vehicles, real property, facilities and equipment purchased by Recipient as part of the Project, and any transportation services rendered by Recipient.
- b. **Retention of Records.** Recipient shall retain and keep accessible all books, documents, papers, and records that are directly related to this Agreement, including, without limitation, records relating to capital assets funded by this Agreement, the Grant Funds or the Project for a minimum of six (6) years, or such longer period as may be required by other provisions of this Agreement or applicable law, following the Expiration Date. If there are unresolved audit questions at the end of the six-year period, Recipient shall retain the records until the questions are resolved.
- c. **Expenditure Records.** Recipient shall document the expenditure of all Grant Funds disbursed by State under this Agreement. Recipient shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in

sufficient detail to permit State to verify how the Grant Funds were expended.

d. Audit Requirements.

- i. If Recipient expends \$1,000,000 or more in federal awards during the Recipient's fiscal year, the Recipient must have a single or program-specific audit conducted for that year in accordance with the provisions of 2 CFR Part 200, Subpart F (Audit Requirements). Recipient, if subject to this requirement, shall at Recipient's own expense submit to State, Public Transportation Division, 355 Capitol St NE, MS43, Salem, Oregon, 97301-4179 or to ODOTPTDReporting@odot.oregon.gov, a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Agreement and shall submit or cause to be submitted, the annual audit of any subrecipient(s), contractor(s), or subcontractor(s) of Recipient responsible for the financial management of funds received under this Agreement.
- ii. Recipient shall indemnify, save, protect and hold harmless State from the cost of any audits or special investigations performed by the Secretary with respect to the funds expended under this Agreement. Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and State.

This Section 8 shall survive any expiration or termination of this Agreement.

9. Recipient Subagreements; Procurements; conflicts of interest

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.
 - ii. Recipient shall require all of its contractors performing work under this Agreement to name State as a third-party beneficiary of Recipient's subagreement with the contractor and to name State as an additional or "dual" obligee on contractors' payment and performance bonds.
 - iii. Recipient shall provide State with a copy of any signed subagreement, as well as any other purchasing or contracting documentation, upon request by State. This paragraph 9.a.iii. shall survive expiration or termination of this Agreement.
 - iv. Recipient must report to State any material breach of a term or condition of a subagreement within ten (10) days of Recipient discovering the breach.
- b. Recipient shall review the *Best Practices Procurement Manual*, a technical assistance manual prepared by the FTA, available on the FTA website: <https://www.transit.dot.gov/funding/procurement/third-party-procurement/best-practices-procurement-manual>
- c. **Subagreement indemnity; subrecipient insurance**
 - i. ***Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.***
 - ii. **Any such indemnification shall also provide that neither Recipient's**

subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.

- iii. Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance requirements provided in Exhibit C to this Agreement. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.
- d. **Procurements.** Recipient shall make purchases of any equipment, materials, or services for the Project under procedures that comply with Oregon law, as applicable, including all applicable provisions of the Oregon Public Contracting Code and rules, and in conformance to FTA Circular 4220.1F, Third Party Contracting Requirements including:
 - i. All applicable clauses required by federal statute, executive orders and their implementing regulations are included in each competitive procurement;
 - ii. All procurement transactions are conducted in a manner providing full and open competition;
 - iii. Procurements exclude the use of statutorily or administratively imposed in-state or geographic preference in the evaluation of bids or proposals (with exception of locally controlled licensing requirements);
 - iv. Construction, architectural and engineering procurements are based on Brooks Act procedures unless the procurement is subject to ORS 279C.100 to 279C.125.
- e. **Conflict of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

10. Termination

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:
 - i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal; or
 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon

delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:

- i. The requisite local funding to continue the Project becomes unavailable to Recipient; or
 - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days' notice to the other Party and failure of the other Party to cure within the period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- b. **Contribution.**
 - i. If any third party makes any claim or brings any action, suit or proceeding alleging a tort as now or hereafter defined in ORS 30.260 ("Third Party Claim") against State or Recipient with respect to which the other Party may have liability, the notified Party must promptly notify the other Party in writing of the Third Party Claim and deliver to the other Party a copy of the claim, process, and all legal pleadings with respect to the Third Party Claim. Each Party is entitled to participate in the defense of a Third Party Claim, and to defend a Third Party Claim with counsel of its own choosing. Receipt by a Party of the notice and copies required in this paragraph and meaningful opportunity for the Party to participate in the investigation, defense and settlement of the Third Party Claim with counsel of its own choosing are conditions precedent to that Party's liability with respect to the Third Party Claim.
 - ii. Except as otherwise provided in Paragraph 11.c below, with respect to a Third Party Claim for which State is jointly liable with Recipient (or would be if joined in the Third Party Claim), State shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Recipient in such proportion as is appropriate to reflect the relative fault of the State on the one hand and of the Recipient on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of State on the one hand and of Recipient on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. State's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if State had sole liability in the proceeding.
 - iii. Except as otherwise provided in Paragraph 11.c below, with respect to a Third Party Claim for which Recipient is jointly liable with State (or would be if joined in the Third Party Claim), Recipient shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by State in such proportion as is appropriate to reflect the relative fault of Recipient on the one hand and of State on the other hand in connection with the events which resulted in such expenses, judgments, fines or settlement amounts, as well as any other relevant equitable considerations. The relative fault of Recipient on the one hand and of State on the other hand shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such expenses, judgments, fines or settlement amounts. Recipient's contribution amount in any instance is capped to the same extent it would have been capped under Oregon law, including the Oregon Tort Claims Act, ORS 30.260 to 30.300, if it had sole liability in the proceeding.

c. **Indemnification.**

- i. Subject to any limitations imposed by State law and the Oregon Constitution, Recipient agrees to the following contract-related indemnification for all projects authorized under this Agreement:
- ii. Where Recipient contracts for services or performs project management for a project, Recipient shall accept all responsibility, defend lawsuits, indemnify, and hold State harmless, for all contract-related claims and suits. This includes but is not limited to all contract claims or suits brought by any contractor, whether arising out of the contractor's work, Recipient's supervision of any individual project or contract, or Recipient's failure to comply with the terms of this Agreement.

Sections 11.b and 11.c shall survive termination of this Agreement.

- d. **Insurance.** Recipient shall obtain and maintain the insurance requirements provided in Exhibit C to this Agreement.
- e. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- f. **Responsibility for Grant Funds.** Any recipient of Grant Funds, pursuant to this Agreement with State, shall assume sole liability for that recipient's breach of the conditions of this Agreement, and shall, upon recipient's breach of conditions that requires State to return funds to the FTA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of the recipient of Grant Funds, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- g. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- h. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- i. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this subsection. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice

mailed shall be deemed to be given when received.

- j. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any Claim or from the jurisdiction of any court. RECIPIENT HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.
- k. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient, including without limitation as described in Exhibit D. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- l. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- m. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- n. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- o. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
- p. **Survival.** The following provisions survive termination of this Agreement: Sections 6.c., 8 and 11.

The Parties, by execution of this Agreement, hereby acknowledge that each Party has read this Agreement, understands it, and agrees to be bound by its terms and conditions.

The Oregon Transportation Commission on October 20, 2010, approved Delegation Order Number OTC-01, which authorizes the Director of the Oregon Department of Transportation to administer programs related to public transit.

On March 1, 2012, the Director approved Delegation Order Number DIR-04, which delegates the authority to approve this Agreement to the Public Transportation Division Administrator.

The requirements of the National Environmental Policy Act (NEPA) and all other applicable federal environmental laws (e.g., the Endangered Species Act, the Clean Water Act, and the National Historic Preservation Act) apply to all projects that receive FTA funds (directly or through the State). The process of addressing compliance with NEPA and all other applicable federal environmental laws is referred to as the environmental review process.

For any project receiving FTA funds, subrecipients are responsible for coordinating with ODOT prior to incurring any costs or conducting any project-related activities to confirm requirements for complying with the environmental review process. The subrecipient is responsible for submitting all documentation required to comply with the environmental review process to ODOT for approval by the FTA.

The following activities cannot proceed until the FTA concurs in writing that the environmental review process is complete per 23 CFR 771.113(a)(1):

- final design activities (design beyond 30%).***
- property acquisition (includes purchase discussions with property owners that imply or are explicitly binding).***
- purchase of construction materials (including EV chargers and bus shelters) or rolling stock,***
- project construction activities (including construction, alteration, or repair [including dredging, excavating, and painting] of buildings, structures, or other real property).***

Proceeding with any of these activities prior to FTA concurrence that the environmental review process is complete may deem the entire project ineligible to receive federal funding.

1. BACKGROUND

The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, provides emergency assistance and health care response for individuals, families, and businesses affected by the COVID-19 pandemic and provides emergency appropriations to support agency operations during the pandemic. Funds provided under the CARES Acts are available for transit agencies for operating activities (net fare revenues) that occur on or after January 20, 2020. CARES can be used for operations projects that prevent, prepare for, and respond to COVID-19. While the federal government has declared the end of the health emergency, COVID-19 continues to have effects on service, the workforce, cleaning and safety protocols, and ridership and farebox recovery, amongst other aspects of transit service.

By signing this agreement, the Recipient certifies that it, and its subrecipients and contractors that are providers of public transportation, have not furloughed any employees since March 27, 2020 (the enactment date of the CARES Act) unless the Recipient is using CARES funding only for payroll and operations expenses.

2. PROJECT DESCRIPTION

This agreement provides financial support for general public transportation services in the state of Oregon to provide relief from expenses incurred in response to the COVID-19 pandemic. This agreement includes the following:

This project would help pay for base level operations for Senior Citizens of Sweet Home, Inc.(SCOSHI), including payroll for SCOSHI staff, as well as operational expenses related to providing transit service.

Recipient to provide demand response and deviated fixed route services within Linn County Oregon. Demand response service is provided Monday through Friday from 7:00 a.m. to 4:30 p.m. and deviated fixed route service is provided Monday through Saturday from 9:00 a.m. to 5:30 p.m.

Operating Expenses

CARES can be used for operations projects that prevent, prepare for, and respond to COVID-19. While the federal government has declared the end of the health emergency, COVID-19 continues to have effects on service, the workforce, cleaning and safety protocols, and ridership and farebox recovery, amongst other aspects of transit service. In general, operating expenses are those costs necessary to operate, maintain, and manage a public transportation system. Operating expenses usually include such costs as driver salaries, fuel, and items having a useful life of less than one year, including personal protective equipment and cleaning supplies. CARES must be used for payroll and operating expenses, unless the recipient certifies to FTA that it has not furloughed any employees.

3. PROJECT DELIVERABLES and EXPENSE TYPES

Funding may be used for operations projects to prevent, prepare for, and respond to COVID-19. All expenses normally eligible under the Federal Transit Administration (FTA) Section 5311 Formula Grants to Rural Areas Program incurred on or after January 1, 2020, are considered to be in response to economic or other conditions caused by COVID-19 and thus are eligible under this Agreement. Normally eligible expenses include those for operating, preventive maintenance, project administration, contracted services, and capital purchases. There is no limit to the percentage of funds that may be used for any category of expense.

Specific eligible expenses under the CARES Act include:

- Farebox Recovery*
- Pandemic-Related Health Accommodations*
- Workforce Recovery & Hiring Initiatives*
- Enhanced Cleaning & Safety Protocols*
- Ridership Recovery Programs*
- Affordable Housing & Transit-Oriented Development*
- Technology & Contactless Services*
- Remote Work & Hybrid Adjustments*
- Healthcare & Long COVID Support*

Ineligible expenses under the Section 5311 program may be reimbursed if an FTA waiver is obtained. Waiver requests are managed by State and results are posted on State's website. Waivers may be implemented during the Agreement period.

Operating Expenses

In general, operating expenses are those costs necessary to operate, maintain, and manage a public transportation system. Operating expenses include such costs as driver salaries, fuel, and

items having a useful life of less than one year, including personal protective equipment and cleaning supplies. See Chapter III of the FTA Circular 9040.1G (Formula Grants for Rural Areas) for more information on eligible operating expenses.

4. PROJECT ACCOUNTING and MATCHING FUNDING

CARES Act funds are being made available to support operating, and other expenses generally eligible under urbanized area and rural area formula programs to prevent, prepare for, and respond to COVID-19.

Projects funded with CARES Act funds must be used to provide relief from expenses incurred in response to the COVID-19 pandemic. All expenses must be incurred on or after January 1, 2020, to be eligible for reimbursement.

The match requirements for projects selected for CARES funding is based on the match requirements identified in the 2025-2027 Federal Formula Grant Program Guidance for FTA Section 5311.

- Operations projects:*
- Federal funds - 56.08%*
- Local match - 43.92%*

Generally accepted accounting principles and Recipient's own accounting system determine those costs that are to be accounted for as gross operating expenses. Recipient may not count the same costs twice if they have multiple agreements for which these costs may be eligible. The contractor may use capital equipment funded from USDOT- or State-source grants when performing services rendered through a contract funded by this Agreement. Depreciation of capital equipment funded from USDOT- or State-source grants is not an eligible expense.

Recipient will subtract revenue from fares, tickets, and passes, either pre-paid or post-paid, from the gross operating expense of service.

If Recipient receives federal funding, directly or indirectly, from insurance proceeds, the Federal Emergency Management Agency, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, or a different federal agency for any portion of a project activity funded under this Agreement, Recipient will provide written notification to State. State will then deduct that amount from this Agreement to reimburse FTA for that federal share that duplicates funding provided by FEMA, another federal agency, or an insurance company.

5. REPORTING and INVOICING REQUIREMENTS

Reimbursement requests may be submitted no more frequently than monthly. Grant Funds provided under this Agreement must be expended by the Expiration Date. The Expiration Date may be extended if local circumstances change; however, there is no guarantee of an extension.

Recipient will request reimbursement for covered expenses incurred during each period as prescribed by State and described in Recipient's submitted preventive maintenance plan for this Agreement. Recipient must maintain and provide supporting documents detailing the total expenses for allowable maintenance activities incurred during the period. Recipient may list costs on a form provided by State, or provide vendor invoices.

Copies of invoices for vendor charges must be submitted with reimbursement requests. In-house charges may be documented in a spreadsheet or with copies of timesheets showing time specifically associated with the project. In addition, Recipient must submit a cover letter or summary of the total expenses for work performed.

Expenses incurred will not be reimbursed if the project's scope is changed or altered without the necessary approval and amendment by State.

EXHIBIT D

Summary of Federal Requirements and Incorporating by Reference Annual List of Certifications and Assurances for FTA Grants and Cooperative Agreements ("Certifications and Assurances") and Federal Transit Administration Master Agreement ("Master Agreement"), Except as Modified Herein

Recipient and Recipient's subrecipient(s), contractor(s), or subcontractor(s), at any tier, if any, must comply with: (1) all applicable federal requirements contained in the Certifications and Assurances including as they may be changed during the term of this Agreement, except as otherwise stated herein; and (2) all applicable requirements included in the Federal Transit Administration Master Agreement ("Master Agreement") including as they may be changed during the term of this Agreement, except as otherwise stated herein. The Certifications and Assurances and the Master Agreement are incorporated by reference herein and are available at www.transit.dot.gov.

The Certifications and Assurances for Fiscal Year 2025, Standard Assurances, Section 1.1(r), requires a grant applicant to certify that it "[w]ill comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing the program under which it is applying for assistance." In addition, the Master Agreement #33, Generally Applicable Provisions, Section 12(m) contains the following language: "the Recipient will cooperate with Federal officials in the enforcement of Federal law, including cooperating with and not impeding U.S. Immigration and Customs Enforcement (ICE) and other Federal offices and components of the Department of Homeland Security in the enforcement of Federal immigration law." ("Immigration Condition").

The State of Oregon is a plaintiff in a lawsuit challenging U.S. DOT's imposition of the Immigration Condition on federal funding as unlawful." See *California v. U.S. Dep't of Transp.*, No. 1:25 cv 208 (D.R.I. filed May 13, 2025). On June 19, 2025, the court presiding over that action issued an order enjoining the imposition of the Immigration Condition on federal funding as to any Plaintiff State, including any subdivision or instrumentality thereof. The Oregon Department of Transportation, as an agency of the State of Oregon, is subject to that court order. To the extent the Certification and Assurances purports to require an agency or person on behalf of the State of Oregon to agree to the Immigration Condition, the State of Oregon does not certify or assure that it will so comply or be bound. The State of Oregon's execution of the Master Agreement or this Agreement should not be construed as a certification or agreement to comply with the Immigration Condition. For purposes of this Agreement, the Certification and Assurances and the Master Agreement are modified to remove the Immigration Condition.

Without limiting or modifying the foregoing, the following is a summary of some requirements applicable to transactions covered by this Agreement and the funds described in Exhibit A:

1. Recipient shall comply with Title VI of the Civil Rights Act of 1964 (78 State 252, 42 U.S.C. § 2000d) and the regulations of the United States Department of Transportation (49 CFR 21, Subtitle A). Recipient shall exclude no person on the grounds of race, religion, color, sex, age, national origin, or disability from the benefits of aid received under this Agreement. Recipient will report to State on at least an annual basis the following information: any active lawsuits or complaints, including dates, summary of allegation, status of lawsuit or complaint including whether the Parties entered into a consent decree.
2. Recipient shall comply with FTA regulations in Title 49 CFR 27 Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance which implements the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act of 1990, 49 CFR 37, and 49 CFR 38.
3. Recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any USDOT-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. Recipient shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of USDOT-assisted contracts. Recipient's DBE program, if applicable, as required by 49 CFR part 26 and as approved by USDOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a

violation of this agreement. Upon notification to State of its failure to carry out its approved program, the Department may impose sanctions as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).

4. The requirements of the National Environmental Policy Act (NEPA), including 23 CFR Part 771, apply to all projects that receive federal funds (whether directly or through the State) or that need a federal approval or permit. The process of addressing compliance with NEPA and all other applicable federal laws relating to the environment, parks, or historic resources (e.g., the Endangered Species Act, the Clean Water Act, the National Historic Preservation Act, Section 4(f) of the U.S. Department of Transportation Act) is referred to as the environmental review process. Recipient shall coordinate with the State and FTA prior to incurring any costs, making any expenditures, or conducting any project-related activities to confirm requirements for complying with the environmental review process. Recipient is responsible for submitting all documentation required to comply with the environmental review process to the State for approval by the FTA.

Until the FTA concurs that the environmental review process is complete and in compliance with 23 CFR 771.113(a)(1), the following activities cannot proceed: final design activities (design beyond 30%), property acquisition (includes purchase discussions with property owners that imply or are explicitly binding), purchase of construction materials or rolling stock, or project construction activities (including, but is not limited to, any ground disturbance or facility modification). This award is contingent on the FTA's concurrence that the environmental review process is complete, and the project has complied with NEPA and related federal laws. Any project expenses incurred prior to completion of the environmental review process will not be eligible for reimbursement and may cause the entire project to be ineligible to receive federal funding.

5. Recipient must include the following language in each subagreement Recipient signs with a subcontractor or subrecipient:

The contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. The contractor, subrecipient, or subcontractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of USDOT-assisted contracts. Failure by the contractor, subrecipient, or subcontractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as Recipient deems appropriate.

6. Recipient and contractors receiving in excess of \$100,000 in federal funds, other than Indian tribes, must certify to State that they have not and will not use federal funds to pay for influencing or attempting to influence an officer or employee of any federal department or Agency, a member of Congress, or an employee of a member of Congress in connection with obtaining any federal grant, cooperative agreement or any other federal award. If non-federal funds have been used to support lobbying activities in connection with the Project, Recipient shall complete Standard Form LLL, Disclosure Form to Report Lobbying and submit the form to State at the end of each calendar quarter in which there occurs an event that requires disclosure. Restrictions on lobbying do not apply to influencing policy decisions. Examples of prohibited activities include seeking support for a particular application or bid and seeking a congressional earmark.
