

## Sweet Home Downtown Streetscape & Parking Plan

Main St and Long St from 9th Ave to 18th Ave.

### Narrative:

This map shows the Sweet Home downtown business core area.

The total affected area including R.O.W.: 1,889,457 Sq Ft,

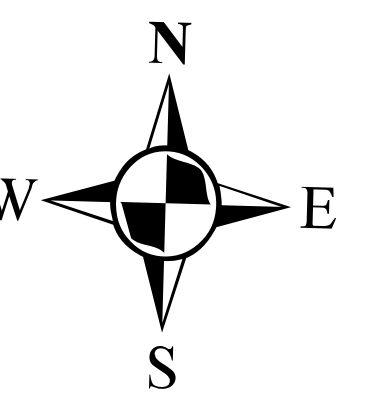

Total area of property lots: apx 1,190,000 Sq Ft.

Area perimeter: 7,984 Ft.

The project area does not necessarily extend the full depth of the affected properties, particularly for large lots. Only the frontage area of variable depth, depending on proposed activities, will be within the project work scope.
