** Main Door Count is new for this month. This is an electronic count of the number of people coming in through the main door off of 13th Ave.*

Events

In December we handed out activity packets for Hanukkah, Christmas, Kwanzaa, and New Years Eve. We also handed out take and make crafts for all ages to take home and make, we had 3 different activities and handed out about 70 kits total.

Christmas week we had a scavenger hunt in the library for kids. If they found a gingerbread person, they brought it to the desk for a free bag of books donated by the Friends of the Library.

Projects ongoing

We continue to weed and update each collection in the building. In the past month we have completed a look at the Kid's non fiction, the Pacific Northwest Collection, and the Science Fiction/Fantasy collection. New and updated items have been purchased for each of these collections and are being added as they arrive.

Thanks to a donation from the Friends of the Library we purchased games and puzzles that will be available for checkout very soon (*a key staff person was out for a week*). We have about 50 games and puzzles for all ages almost ready for the community to checkout.

We purchased some new shelving for our VOX (*kid's audio*) books. The older shelving will be used for the games and puzzles.

New Library update

We are still eagerly awaiting a bequest check to arrive that will allow us to move forward with an RFP for an architecture firm to propose a new library building concept.
