Events this month: Our walking study group got started at the end of May. We have 14 participants. Our Story time with a cop saw almost 30 kids and their adults, this was very chaotic in our small space. Our Community Read has started. Discussion dates are in August. Summer Reading started June 1. **Building updates:** Minor updates from our monthly safety inspection. We also did some reorganizing as we are looking to create more space for adding in a second librarian position.

Items of note: Our circulation numbers are slightly off because our staff access to the catalog system was down for a week and our work around was through Albany's system. This also prevented our library patrons from requesting materials online. The City budget has been passed by City Council and our job posting for a Programming Librarian has been posted. Initial review starts June 16.
