Recipient shall create and maintain all expenditure records in accordance with generally accepted accounting principles and in sufficient detail to permit State to verify how the Grant Funds were expended.
- d. **Audit Requirements.**
 - i. Recipients receiving federal funds in excess of \$750,000 are subject to audit conducted in accordance with the provisions of 2 CFR part 200, subpart F. Recipient, if subject to this requirement, shall at Recipient's own expense submit to State, Public Transportation Division, 555 13th Street NE, Suite 3, Salem, Oregon, 97301-4179 or to ODOTPTDReporting@odot.state.or.us, a copy of, or electronic link to, its annual audit subject to this requirement covering the funds expended under this Agreement and shall submit or cause to be submitted, the annual audit

Recipient acknowledges and agrees that any audit costs incurred by Recipient as a result of allegations of fraud, waste or abuse are ineligible for reimbursement under this or any other agreement between Recipient and State.

This Section 8 shall survive any expiration or termination of this Agreement.

9. Recipient Subagreements and Procurements

- a. **Subagreements.** Recipient may enter into agreements with sub-recipients, contractors or subcontractors (collectively, "subagreements") for performance of the Project.
 - i. All subagreements must be in writing executed by Recipient and must incorporate and pass through all of the applicable requirements of this Agreement to the other party or parties to the subagreement(s). Use of a subagreement does not relieve Recipient of its responsibilities under this Agreement.

- b. Recipient shall review the *Best Practices Procurement Manual*, a technical assistance manual prepared by the FTA, available on the FTA website: www.fta.dot.gov/grants/13054_6037.html
- c. **Subagreement indemnity; insurance**
 - i. ***Recipient's subagreement(s) shall require the other party to such subagreements(s) that is not a unit of local government as defined in ORS 190.003, if any, to indemnify, defend, save and hold harmless State and its officers, employees and agents from and against any and all claims, actions, liabilities, damages, losses, or expenses, including attorneys' fees, arising from a tort, as now or hereafter defined in ORS 30.260, caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the other party to Recipient's subagreement or any of such party's officers, agents, employees or subcontractors ("Claims"). It is the specific intention of the Parties that the State shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the State, be indemnified by the other party to Recipient's subagreement(s) from and against any and all Claims.***
 - ii. **Any such indemnification shall also provide that neither Recipient's subrecipient(s), contractor(s) nor subcontractor(s) (collectively "Subrecipients"), nor any attorney engaged by Recipient's Subrecipient(s), shall defend any claim in the name of the State or any agency of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the prior written consent of the Oregon Attorney General. The State may, at any time at its election, assume its own defense and settlement in the event that it determines that Recipient's Subrecipient is prohibited from defending State or that Recipient's Subrecipient is not adequately defending State's interests, or that an important governmental principle is at issue or that it is in the best interests of State to do so. State reserves all rights to**

pursue claims it may have against Recipient's Subrecipient if State elects to assume its own defense.

- iii. Recipient shall require the other party, or parties, to each of its subagreements that are not units of local government as defined in ORS 190.003 to obtain and maintain insurance requirements provided in Exhibit C to this Agreement. Recipient may specify insurance requirements of its contractor(s) above the minimum insurance requirements specified in Exhibit C. Recipient shall verify its contractor(s) meet the insurance requirements in Exhibit C.

 - iv. Construction, architectural and engineering procurements are based on Brooks Act procedures unless the procurement is subject to ORS 279C.100 to 279C.125.
- e. **Conflict of Interest.** Recipient's public officials shall comply with Oregon's government ethics laws, ORS 244.010 et seq., as those laws may be subsequently amended.

10. Termination

- a. **Termination by State.** State may terminate this Agreement effective upon delivery of written notice of termination to Recipient, or at such later date as may be established by State in such written notice, if:
 - i. Recipient fails to perform the Project within the time specified herein or any extension thereof or commencement, continuation or timely completion of the Project by Recipient is, for any reason, rendered improbable, impossible, or illegal; or
 - ii. State fails to receive funding, appropriations, limitations or other expenditure authority sufficient to allow State, in the exercise of its reasonable administrative discretion, to continue to make payments for performance of this Agreement; or
 - iii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement; or
 - iv. The Project would not produce results commensurate with the further expenditure of funds; or
 - v. Recipient takes any action pertaining to this Agreement without the approval of State and which under the provisions of this Agreement would have required the approval of State.
- b. **Termination by Recipient.** Recipient may terminate this Agreement effective upon delivery of written notice of termination to State, or at such later date as may be established by Recipient in such written notice, if:
 - i. The requisite local funding to continue the Project becomes unavailable to Recipient; or
 - ii. Federal or state laws, rules, regulations or guidelines are modified or interpreted in such a way that the Project is no longer allowable or no longer eligible for funding under this Agreement.
- c. **Termination by Either Party.** Either Party may terminate this Agreement upon at least ten days' notice to the other Party and failure of the other Party to cure within the

period provided in the notice, if the other Party fails to comply with any of the terms of this Agreement.

11. General Provisions

- a. **Amendments.** This Agreement may be amended or extended only by a written instrument signed by both Parties and approved as required by applicable law.
- b. **Insurance.** Recipient shall meet the insurance requirements within Exhibit C.
- c. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of this Agreement. In addition, the Parties may agree to utilize a jointly selected mediator or arbitrator (for non-binding arbitration) to resolve the dispute short of litigation.
- d. **Responsibility for Grant Funds.** Any recipient of Grant Funds, pursuant to this Agreement with State, shall assume sole liability for that recipient's breach of the conditions of this Agreement, and shall, upon recipient's breach of conditions that requires State to return funds to the FTA, hold harmless and indemnify State for an amount equal to the funds received under this Agreement; or if legal limitations apply to the indemnification ability of the recipient of Grant Funds, the indemnification amount shall be the maximum amount of funds available for expenditure, including any available contingency funds or other available non-appropriated funds, up to the amount received under this Agreement.
- e. **Duplicate Payment.** Recipient is not entitled to compensation or any other form of duplicate, overlapping or multiple payments for the same work performed under this Agreement from any agency of the State of Oregon or the United States of America or any other party, organization or individual.
- f. **No Third Party Beneficiaries.** State and Recipient are the only Parties to this Agreement and are the only Parties entitled to enforce its terms. Nothing in this Agreement gives, is intended to give, or shall be construed to give or provide any benefit or right, whether directly or indirectly, to a third person unless such a third person is individually identified by name herein and expressly described as an intended beneficiary of the terms of this Agreement.

Recipient acknowledges and agrees that the Federal Government, absent express written consent by the Federal Government, is not a party to this Agreement and shall not be subject to any obligations or liabilities to the Recipient, contractor or any other party (whether or not a party to the Agreement) pertaining to any matter resulting from the this Agreement.

- g. **Notices.** Except as otherwise expressly provided in this Agreement, any communications between the Parties hereto or notices to be given hereunder shall be given in writing by personal delivery, facsimile, email, or mailing the same, postage prepaid, to Recipient Contact or State Contact at the address or number set forth on the signature page of this Agreement, or to such other addresses or numbers as either Party may hereafter indicate pursuant to this subsection. Any communication or notice personally delivered shall be deemed to be given when actually delivered. Any communication or notice delivered by facsimile shall be deemed to be given when receipt of the transmission is generated by the transmitting machine, and to be effective against State, such facsimile transmission must be confirmed by telephone notice to State Contact. Any communication by email shall be deemed to be given when the recipient of the email acknowledges receipt of the email. Any communication or notice mailed shall be deemed to be given when received.
- h. **Governing Law, Consent to Jurisdiction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. Any claim, action, suit or proceeding (collectively, "Claim") between State (or any other agency or department of the State of Oregon) and Recipient that arises from or relates to this Agreement shall be brought and conducted solely and exclusively within the Circuit Court of Marion County in the State of Oregon. In no event shall this section be construed as a waiver by the State of Oregon of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the eleventh amendment to the Constitution of the United States or otherwise, from any

Claim or from the jurisdiction of any court. EACH PARTY HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, WAIVES ANY OBJECTION TO VENUE, AND WAIVES ANY CLAIM THAT SUCH FORUM IS AN INCONVENIENT FORUM.

- i. **Compliance with Law.** Recipient shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to the Agreement or to the implementation of the Project, as applicable to Recipient, including without limitation as described in Exhibit D. Without limiting the generality of the foregoing, Recipient expressly agrees to comply with (i) Title VI of Civil Rights Act of 1964; (ii) Title V and Section 504 of the Rehabilitation Act of 1973; (iii) the Americans with Disabilities Act of 1990 and ORS 659A.142; (iv) all regulations and administrative rules established pursuant to the foregoing laws; and (v) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations.
- j. **Independent Contractor.** Recipient shall perform the Project as an independent contractor and not as an agent or employee of State. Recipient has no right or authority to incur or create any obligation for or legally bind State in any way. State cannot and will not control the means or manner by which Recipient performs the Project, except as specifically set forth in this Agreement. Recipient is responsible for determining the appropriate means and manner of performing the Project. Recipient acknowledges and agrees that Recipient is not an "officer", "employee", or "agent" of State, as those terms are used in ORS 30.265, and shall not make representations to third parties to the contrary.
- k. **Severability.** If any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the Parties shall be construed and enforced as if this Agreement did not contain the particular term or provision held to be invalid.
- l. **Counterparts.** This Agreement may be executed in two or more counterparts (by facsimile or otherwise), each of which is an original and all of which together are deemed one agreement binding on all Parties, notwithstanding that all Parties are not signatories to the same counterpart.
- m. **Integration and Waiver.** This Agreement, including all Exhibits, constitutes the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. The delay or failure of either Party to enforce any provision of this Agreement shall not constitute a waiver by that Party of that or any other provision. Recipient, by the signature below of its authorized representative, hereby acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
- n. **Survival.** The following provisions survive termination of this Agreement: Sections 6.c., 8 and 11.

1. BACKGROUND

The federal Coronavirus Aid, Relief, and Economic Security (CARES) Act, Coronavirus Response and Relief Supplemental Appropriations (CRRSAA) Act, and American Rescue Plan Act (ARP), provide emergency assistance and health care response for individuals, families, and businesses affected by the COVID-19 pandemic and provides emergency appropriations to support agency operations during the pandemic. Funds provided under the CARES, CRRSAA and ARP Acts are available for transit agencies to maintain service and lost revenue, including the purchase of protective equipment and paid administrative leave.

2. PROJECT DESCRIPTION

This agreement provides financial support for general public transportation services in the state of Oregon to provide relief from expenses incurred in response to the COVID-19 pandemic. This agreement includes the following activities and not to exceed \$97,600 in COVID grant funds.

This project provides demand response operations, and deviated fixed route operations in and around Linn County. Days and hours of operation vary by service. Operational expenses include the following:

- \$49,400 for demand response operations.
- \$48,200 for deviated fixed route service.

3. PROJECT DELIVERABLES and EXPENSE TYPES

Funding may be used for projects to prevent, prepare for, and respond to COVID-19. Although operational expenses are the priority, all expenses normally eligible under the Federal Transit Administration (FTA) Section 5311 Formula Grants to Rural Areas Program incurred on or after January 1, 2021 are considered to be in response to economic or other conditions caused by COVID-19 and thus are eligible under this Agreement. Normally-eligible expenses include those for operating, preventive maintenance, project administration, contracted services, and capital purchases. There is no limit to the percentage of funds that may be used for any category of expense.

Specific eligible expenses under the CARES Act include operating costs to maintain service, lost revenue due to the COVID-19 public health emergency, purchase of personal protective equipment associated with response to the pandemic, administrative leave salaries for personnel, and cleaning and sanitizing equipment and supplies.

Ineligible expenses under the Section 5311 program may be reimbursed if an FTA waiver is obtained. Waiver requests are managed by State and results are posted on State's website. Waivers may be implemented during the Agreement period.

Operating Expenses

In general, operating expenses are those costs necessary to operate, maintain, and manage a public transportation system. Operating expenses include such costs as driver salaries, fuel, and items having a useful life of less than one year, including personal protective equipment and cleaning supplies. See Chapter III of the FTA Circular 9040.1G (Formula Grants for Rural Areas) for more information on eligible operating expenses.

Lost Revenue

Lost revenue is a reduction in contributions to the operational costs of a public transportation system and reductions in fees paid for use of a public transportation system due to service changes or fluctuations caused by response to the COVID-19 pandemic.

Personal Protective Equipment Expenses

Personal protective equipment includes equipment for eyes, face, head, and extremities, protective clothing, respiratory devices, and protective shields and barriers. Some items, such as respiratory devices, must meet industry requirements. Other items may be eligible with advance approval from State.

Administrative Leave Expenses

Administrative leave is an administratively-authorized absence from duty without loss of pay or reduction in an employee's available leave. In the context of the COVID-19 public health emergency, administrative leave could include, but is not limited to, leave for an employee who is not required to work due to a reduction in service or leave for a worker who is quarantined after potential exposure to an individual infected with COVID-19.

Preventive Maintenance Expenses

In general, preventive maintenance expenses include activities, supplies, materials, labor, services, and associated costs required to preserve or extend the functionality and serviceability of an asset in a cost effective manner such as oil changes, engine tune-ups, scheduled or routine maintenance; and associated parts, supplies, and labor. In the context of the COVID-19 public health emergency, preventive maintenance could include, but is not limited to, costs for protective measures to protect the health and safety of employees and passengers, such as cleaning of rolling stock. Personal protective equipment and other preventive measures are eligible as either a maintenance or operating expense, whichever is appropriate.

Preventive maintenance under this Agreement does not include repairs resulting from motor vehicle accidents covered by insurance or repairs on vehicles or components under warranty.

Recipient must provide to State a plan for proposed preventive maintenance, unless a plan is already on file with State. Reimbursement requests must match the activities or purchases described in Recipient's plan. If local circumstances change, Recipient's maintenance plan must be updated to reflect that change and submitted to State within one year of the change.

Project Administration Expenses

Project administrative expenses include administrative staff salaries; marketing expenses; insurance premiums and payments to a self-insurance reserve; office supplies; telecommunications; and facilities and equipment rental. Administrative costs for coordination of transit services are eligible as project administration if the activity is part of a coordinated public transportation program.

Contracted Services Expenses

Expenses under third-party contracts for operations or maintenance services incurred on or after January 1, 2021, including third-party contract employees providing such service who are placed on administrative leave due to reduced service, are eligible for reimbursement. Whether an FTA recipient is responsible for such administrative leave will depend on the terms of its third-party contract.

The contracted service will be provided by a contractor or pass-through subrecipient selected by Recipient. Recipient will oversee and monitor the services and performance of the contractor or pass-through subrecipient.

Services will be provided in accordance with the locally adopted Coordinated Public Transit Human Services Transportation Plan (Coordinated Plan). Recipient and contractor or pass-through subrecipient will coordinate the delivery of transportation services with other public and private transportation providers to enhance regional services and to avoid duplication of services.

Recipient may amend the service design at any time in accordance with local demand, funding issues, changes in the Coordinated Plan, or other situations that require service to be changed. Recipient will inform State if there is a change in the service funded by this Agreement.

Capital Expenses

Capital expenses are eligible under CARES Act funding only and may include the purchase of tangible property with a useful life of more than one year and an acquisition cost of \$5,000 or more. This includes equipment; signs; shelters; communications devices; radios; wheelchair lifts and restraints; computer software and hardware; and safety and security equipment.

Associated services, permits, and permissions needed to put capital items into service; costs incurred from the procurement process; delivery charges; and post-delivery inspections are eligible expenses.

Recipient may not use assets acquired under this Agreement to compete unfairly with the private sector.

4. PROJECT ACCOUNTING and MATCHING FUNDING

CRRSAA and ARP Act funds are being made available to support operating expenses generally eligible under urbanized area and rural area formula programs to prevent, prepare for, and respond to COVID-19, are included in this Agreement. CARES Act funds are being made available to support operating, capital and other expenses generally eligible under urbanized area and rural area formula programs to prevent, prepare for, and respond to COVID-19.

Projects funded with CRRSAA, ARP and CARES Act funds must be used to provide relief from expenses incurred in response to the COVID-19 pandemic. All expenses must be incurred on or after January 1, 2021 to be eligible for reimbursement.

Projects funded under this Agreement will be reimbursed at 100 percent. There is no local match requirement.

Generally accepted accounting principles and Recipient's own accounting system determine those costs that are to be accounted for as gross operating expenses. Recipient may not count the same costs twice if they have multiple agreements for which these costs may be eligible. The contractor may use capital equipment funded from USDOT- or State-source grants when performing services rendered through a contract funded by this Agreement. Depreciation of capital equipment funded from USDOT- or State-source grants is not an eligible expense.

Recipient will subtract revenue from fares, tickets, and passes, either pre-paid or post-paid, from the gross operating expense of service.

If Recipient receives federal funding, directly or indirectly, from insurance proceeds, the Federal Emergency Management Agency, the Robert T. Stafford Disaster Relief and Emergency Assistance Act, or a different federal agency for any portion of a project activity funded under this Agreement, Recipient will provide written notification to State. State will then deduct that amount from this Agreement to reimburse FTA for that federal share that duplicates funding provided by FEMA, another federal agency, or an insurance company.

5. REPORTING and INVOICING REQUIREMENTS

Reimbursement requests may be submitted no more frequently than monthly. Grant Funds provided under this Agreement must be expended by the Expiration Date. The Expiration Date may be extended if local circumstances change; however, there is no guarantee of an extension.

Recipient agrees to assess and report, as prescribed by State, the condition of all capital assets purchased or constructed under this Agreement as long as they remain in use for public transportation service.

Recipient will request reimbursement for covered expenses incurred during each period as prescribed by State and described in Recipient's submitted preventive maintenance plan for this Agreement. Recipient must maintain and provide supporting documents detailing the total expenses for allowable maintenance activities incurred during the period. Recipient may list costs on a form provided by State, or provide vendor invoices.

Copies of invoices for vendor charges must be submitted with reimbursement requests. In-house charges may be documented in a spreadsheet or with copies of timesheets showing time specifically associated with the project. In addition, Recipient must submit a cover letter or summary of the total expenses for work performed.

Expenses incurred will not be reimbursed if the project's scope is changed or altered without the necessary approval and amendment by State.

Reimbursement under this Agreement is based on service miles operated in Oregon. Recipient shall utilize and submit with each reimbursement request a reimbursement spreadsheet provided by Agency to calculate a maximum allowed cost per mile basis for each reimbursement period. Recipient should be prepared to document service costs and service revenue if audited.
